

Rosary for World Peace

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

In the name of Archangel Michael, Jesus Christ, Mother Mary, Saint Germain and the entire spirit of the Ascended Host, I dedicate this rosary to the manifestation of Ecstatic Peace in .

. .
(Describe specific situations and places where you want this rosary to bring peace.)

Prayer for Ecstatic peace

Lord, I choose to BE an instrument of your peace.

Where there is hatred, I AM the Flame of Love.

Where there is injury, I AM the Flame of Justice.

Where there is doubt, I AM the Flame of Truth.

Where there is despair, I AM the Flame of Vision.

Where there is darkness, I AM the Light of the world.

Where there is sadness, I AM the Flame of Blissful Joy.

O Divine Master, I chose to console others and in so doing find your consolation.

I choose to understand others and in so doing find your understanding.

I choose to love others and in so doing find your love for me.

For it is in giving of ourselves to others that we receive more of you.

It is in forgiving others that we find your forgiveness.

It is in letting the ego die that we are reborn into the eternal life of being the Living Christ—on Earth as we are in Heaven, now and foreverMORE.

It is when we dare to BE here below all that we are Above that the Earth will be here below all that she is in the heart of God. And thus I AM the Golden Age made manifest, as I love God's flame of Ecstatic Peace with all my heart, soul and mind. For I AM the light of the world, and as long as I AM in the world, there is peace on Earth and God's will toward all life.

I choose to see the reality of war

I choose to recognize the fundamental reality that God has given us humans command over the Earth. Thus, we are the only ones who have the authority to bring peace and stop war. We have the authority to stop war but we do not have the power. God has the power to stop war but does not have the authority.

I recognize that no amount of violence or force can bring peace to Earth, for we cannot solve a problem with the same state of consciousness that cre-

ated the problem. Peace can never be brought about through fear but only when the Flame of Ecstatic Peace consumes all fear, hatred and injustice. I choose to surrender all fear into the Flame of Ecstatic Peace that I may be one with that flame. In that oneness I AM free from the paralyzing fear of war and I AM willing to take a stand for peace.

I now choose to recognize the Law of the One, whereby one person can become the open door for the power of God to flow into this world. I declare that I AM willing to embody the Flame of Ecstatic Peace. I AM willing to let that flame consume the warring in my own members so that I am no longer a house divided against itself. I AM willing to be whole so that my wholeness becomes the acceptable offering that God can multiply.

I now choose to recognize that with men it is impossible to bring peace, but with God all things are possible. I use my free will to claim my God-given authority over the Earth. I lovingly give that authority to Archangel Michael and I command Archangel Michael and his legions of angels to march around this planet to consume the consciousness of anti-peace and all energies misqualified through war.

Archangel Michael, consume the forces of war

1. Archangel Michael, send your legions of angels to the four corners of the Earth and consume all ancient and modern records of war that are pulling people into responding to conflicts with violence. Consume all downward spirals and all warring in the members of individuals and all warring between groups of people. Consume the paralyzing fear of war, so that all truly spiritual people will be free to stand up and demand peace. I AM the Flame of God's Will consuming all misuse of power.

Hail Michael

**Archangel Michael, take command,
God government in every land.
Raise up the torch of Freedom's Flame,
that all may know the "I AM" name.
Humanity is now set free,
one people under God to be.**

**Archangel Michael, you are here,
to keep our vision always clear.
We form God's Body here below,
the open door for Grace to flow.
As into action now we spring,
the Golden Age we surely bring.**

2. Archangel Michael, consume all energies and records of the misuse of power that cause people to see war as the only solution to problems. Awaken people to the reality that a small elite have misused power to divide the spiri-

tual people on Earth and set brother against brother in an endless struggle for power and control. Thus, the only way to end war is to bring all exercise of power into harmony with God's will. I AM the Flame of God's Will consuming all misuse of power.

**Archangel Michael, take command,
God government in every land.
Raise up the torch of Freedom's Flame,
that all may know the "I AM" name.
Humanity is now set free,
one people under God to be.**

**Archangel Michael, you are here,
to keep our vision always clear.
We form God's Body here below,
the open door for Grace to flow.
As into action now we spring,
the Golden Age we surely bring.**

3. Archangel Michael, consume all energies and records of ignorance that prevent people from finding a peaceful solution to conflict. Awaken people to the reality that it is their own ignorance that allows them to be pulled into war. Thus, the only way to end war is to awaken all people, so they can see beyond the unreality of the mind of anti-christ and discover the reality of the mind of Christ. I AM the Flame of God's Will consuming all misuse of power.

Hail Michael

4. Archangel Michael, consume all energies and records of anger and hatred that prevent people from solving conflicts through love and forgiveness. Awaken people to the reality that anger and hatred will bind them to an endless struggle against an adversary who is also trapped by anger and hatred. Thus, the only way to end war is to start responding to anger with love and to hatred with forgiveness. I AM the Flame of God's Will consuming all misuse of power.

Hail Michael

5. Archangel Michael, consume all energies and records of pride that prevent people from admitting when they are wrong and rising above their old positions. Awaken people to the reality that pride gives rise to inequality, injustice and fanaticism, which sets the stage for armed conflict. Thus, the only way to end war is to stop defending the dualistic illusions and see that in the Christ mind all life is one. I AM the Flame of God's Will consuming all misuse of power.

Hail Michael

6. Archangel Michael, consume all energies and records of greed that cause people to take from others with force. Awaken people to the reality that God will give them everything they need when they overcome the sense of separation and come into harmony with God's law. Thus, the only way to end

war is to leave behind the consciousness of lack and accept God's abundant life in which there is more than enough for everyone. I AM the Flame of God's Will consuming all misuse of power.

**Archangel Michael, take command,
God government in every land.
Raise up the torch of Freedom's
Flame,
that all may know the "I AM" name.
Humanity is now set free,
one people under God to be.**

**Archangel Michael, you are here,
to keep our vision always clear.
We form God's Body here below,
the open door for Grace to flow.
As into action now we spring,
the Golden Age we surely bring.**

7. Archangel Michael, consume all energies and records of envy that prevent people from seeing that their problems are caused by their own state of mind and not by other people. Awaken people to the reality that envy springs from the illusion that God loves some people more than others. Thus, the only way to end war is to accept the unconditional love of God that shines upon the evil and the good and can make everyone good. I AM the Flame of God's Will consuming all misuse of power.

Hail Michael

8. Archangel Michael, consume all energies and records of non-will that pre-

vent people from taking an immovable stand for peace. Awaken people to the reality that if good people do not have the will to take a stand for peace, then they will be dragged into conflict by those who love war. Thus, the only way to end war is for the spiritual people to refuse to engage in any frame of mind that is less than peace. I AM the Flame of God's Will consuming all misuse of power.

Hail Michael

9. Archangel Michael, consume all energies and records of non-being that prevent the spiritual people from being the emissaries of peace on Earth. Awaken people to the reality that war can continue to exist because the spiritual people have not been willing to embody the Flame of Ecstatic Peace. Thus, the only way to end war is to not only be at peace but to BE PEACE in action on Earth. I AM the Flame of God's Will consuming all misuse of power.

Hail Michael

Archangel Michael, awaken all people to the reality that they feel powerless only because they have allowed a power elite to set themselves up between the people and their God. Awaken them from the illusion that people can reach God only through an institution or its leaders. Help people see that the kingdom of God is within them, and thus they can reach God in

their hearts and God can work through his people. Thus, when we, the people of God, give God the authority to remove war from the Earth, God will indeed multiply our good works until only peace remains. I now use my free will to call to all spiritual people everywhere:

WAKE UP AND BE THE OPEN DOOR FOR GOD'S PEACE! (4X)

1. Archangel Michael, take command, God government in every land. God's power, wisdom and his love flows to our planet from Above.

Refrain:

**Archangel Michael, let your power rain upon us every hour.
Fill us with God's Diamond Will,
our destiny we will fulfill.**

**Planet Earth is now set free,
to manifest her destiny.
As Liberty is in command,
she spreads her light to every land.**

2. Raise up the torch of Freedom's Flame,
that all may know the "I AM" name.
We keep our course all through the night,
as we are guided by your light.

3. Planet Earth is always free,
one nation under God to be.
Our love for her is so intense,

we take our stand in her defense.

4. Archangel Michael, you are here,
to keep our vision always clear.
As we our sacred work begin,
we know God's kingdom is within.

5. We form God's Body here below,
the open door for Grace to flow.
Consuming now all patterns old,
the future looks so bright and bold.

6. As into action now we spring,
the Golden Age we will to bring.
We have the vision and the fire
to lift this planet ever higher.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

I choose to enter the Path of Peace

I choose to recognize the fundamental reality that wars do not start themselves—wars are started by people. I choose to recognize that war is a product of the collective consciousness of humankind. It is only because there is a warring in the collective consciousness that physical war is possible. And this warring in the collective consciousness will not be removed until a critical mass of individuals overcome the warring in their own members.

I now choose to be a forerunner for bringing peace to the collective consciousness. I AM willing to look at the

beam in my own eye and remove all division and warring in my being. I am willing to have exposed all elements of the consciousness of anti-christ, and I will surrender them into the flame of Ecstatic Peace. Thus, by first removing the beam in my own eye, I will gain the vision to help others remove the consciousness of war from their minds. I will also gain the moral authority to demand that the consciousness of war be removed from this planet.

I choose to recognize the fundamental reality that although it is the collective consciousness that sets the stage for war, there must still be people who are willing to start wars. Therefore, all wars have been started by a small elite who are absolutely committed to power. I recognize that I have no right to interfere with these people's free will. Yet I do have the right to become the instrument of their judgment so that they must face the choice to either abandon their warring ways or be removed from this planet. Therefore, I say with Jesus, "For judgment I AM come and it is time to judge the consciousness of war and all beings who embody it!"

I now call to all spiritual people on Earth to unite in internalizing and applying Jesus' master strategy for combatting war, namely that a critical mass of spiritual people take a stand for peace and give God the authority to judge and remove the forces of war from this planet.

I now take my stand and I say:
"Enough is enough! Let the consciousness of war be judged and removed so that peace will reign on Earth!"

Beloved Jesus, judge the lies of war

1. Beloved Jesus, awaken all people to see the insanity in the belief that it is possible to stop violence by committing more violence. Awaken all people to the reality that the only way to stop the spirals of violence is to turn the other cheek. I AM the Flame of Ecstatic Peace consuming the consciousness of war.

Hail Victorious Christ

**Beloved Jesus, you have won,
God has awakened everyone.
No longer can the leaders blind
divide and conquer humankind.
Our eye is single as we see
the truth of Christ that makes us free.**

**Beloved Jesus, we will be
the Christed ones who keep Earth free.
The torch of Pisces we uphold
Aquarius we now unfold.
Your victory for Earth is won,
the Golden Age has now begun.**

2. Beloved Jesus, awaken all people to see the insanity in the belief that it is possible to bring God's kingdom to Earth by violating God's command not to kill. Awaken all people to the reality

that the only way to serve God's cause is to love God and God's law with all your heart, soul and mind. I AM the Flame of Ecstatic Peace consuming the consciousness of war.

**Beloved Jesus, you have won,
God has awakened everyone.
No longer can the leaders blind
divide and conquer humankind.
Our eye is single as we see
the truth of Christ that makes us free.**

**Beloved Jesus, we will be
the Christed ones who keep Earth free.
The torch of Pisces we uphold
Aquarius we now unfold.
Your victory for Earth is won,
the Golden Age has now begun.**

3. Beloved Jesus, awaken all people to see the insanity in the belief that it is possible to stop evil by killing all the people we label as evil. Awaken all people to the reality that the only way to remove evil is to love our neighbors as ourselves. I AM the Flame of Ecstatic Peace consuming the consciousness of war.

Hail Victorious Christ

4. Beloved Jesus, awaken all people to see the insanity in the belief that it is possible to bring permanent peace by committing the ultimate act of violence. Awaken all people to the reality that the only way to bring permanent peace is to refuse to cast the first stone

or the second stone. I AM the Flame of Ecstatic Peace consuming the consciousness of war.

Hail Victorious Christ

5. Beloved Jesus, awaken all people to see the insanity in the belief that it is possible to stop violence by thinking that one act of violence justifies seeking revenge through more violence. Awaken all people to the reality that the only way to remove evil is to leave vengeance to God and let God's law make sure everyone will reap what they sow. I AM the Flame of Ecstatic Peace consuming the consciousness of war.

Hail Victorious Christ

6. Beloved Jesus, awaken all people to see the insanity in the belief that it is possible to bring about a better future by holding on to the past. Awaken all people to the reality that the only way to bring peace is to forgive seventy times seven. I AM the Flame of Ecstatic Peace consuming the consciousness of war.

Hail Victorious Christ

7. Beloved Jesus, awaken all people to see the insanity in the belief that it is possible to stop evil by thinking one belief system is the only true one or that all belief systems are equally valid. Awaken all people to the reality that the only way to remove evil is to discern between reality and unreality by becoming wise as serpents, harmless as

doves. I AM the Flame of Ecstatic Peace consuming the consciousness of war.

**Beloved Jesus, you have won,
God has awakened everyone.
No longer can the leaders blind
divide and conquer humankind.
Our eye is single as we see
the truth of Christ that makes us free.**

**Beloved Jesus, we will be
the Christed ones who keep Earth free.
The torch of Pisces we uphold
Aquarius we now unfold.
Your victory for Earth is won,
the Golden Age has now begun.**

8. Beloved Jesus, awaken all people to see the insanity in the belief that it is possible to bring peace through outer actions or institutions. Awaken all people to the reality that the only way to bring peace is to realize that peace is a state of mind and then enter the kingdom of God that is within us. I AM the Flame of Ecstatic Peace consuming the consciousness of war.

Hail Victorious Christ

9. Beloved Jesus, awaken all people to see the insanity in the belief that it is possible to overcome war through the consciousness of anti-christ. Awaken all people to the reality that the only way to stop war is to seek first the kingdom of God and his righteousness, namely the Christ consciousness. I AM

the Flame of Ecstatic Peace consuming the consciousness of war.

Hail Victorious Christ

Beloved Jesus, help all people see that peace is not a passive force. Peace is a dynamic force but instead of engaging in dualistic struggles, it brings the Light and the Truth of God. Thus, the Flame of Dynamic Peace is a consuming fire that sets people free from the illusions that blind them to the true cause of war.

Beloved Jesus, help all spiritual people see that we all came from the same source and that we are part of the One Body of God on Earth. Thus, we must stand as one and refuse to let the power elite divide and conquer us with their dualistic illusions. I now use my free will to call to all spiritual people everywhere:

**WAKE UP AND BE THE LIVING
CHRIST IN ACTION! (4X)**

1. Beloved Jesus, you have won,
God has awakened everyone.
The second coming is at hand
as Christed ones now take a stand.

Refrain:

**The Living Christ is in me now,
the seal of Christ upon my brow,
The love of Christ is in my heart,
in Jesus' mission I take part.**

**The Christ is come again in me,
I shine his light for all to see.
His perfect love consumes all fear,
so all can sense his presence here.**

2. No longer can the leaders blind
divide and conquer humankind.
we follow Christ the inner king
his truth to all we vow to bring.

3. Our eye is single as we see
the truth of Christ that makes us free.
We shout his message from the roof
as we become his living proof.

4. Beloved Jesus, we will be
the Christed ones who keep Earth free.
In defense of life we take a stand,
the second coming is at hand.

5. The torch of Pisces we uphold
Aquarius we now unfold.
We share your love for Saint Germain
he will the Earth with Justice reign.

6. Your victory for Earth is won,
the Golden Age has now begun,
the inner Christ will make all free
in God's own Presence now to be.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

I choose to come apart from the Cain consciousness

I now choose to recognize that a major factor behind all war is the Cain consciousness that prevents people from being their brother's keeper. I am willing to transcend that consciousness and leave it behind. I am willing to surrender all rigidity of mind and let God be the doer in my life. Thus, I never need to feel that I have less, can accomplish less or is of lesser worth than any other human being.

I now choose to take full responsibility for my life and to stop blaming other people or God for my circumstances. I take ownership of my situation and I recognize that my outer circumstances are a reflection of my state of consciousness. Thus, I surrender all elements of my consciousness that prevent me from receiving the abundant life that it is God's good pleasure to give me. Thus, I will never again feel jealous of other people but look to God as the source of all good and perfect things.

I choose to leave the school of hard knocks and instead ask for Divine Direction from within, so that I can overcome everything that separates me from God and separates me from the oneness of all life. I am willing to recognize the oneness of all life and I am indeed my brother's keeper. Therefore, I can raise my brothers and sisters by raising my own consciousness and drawing all people unto me as I am

lifted up. I now see that the best way to be my brother's keeper is to keep my own heart and mind pure.

I choose to overcome all elements of anti-love in my being. I now receive God's unconditional love for me so that I can fully love myself. And in loving myself as God loves me, I can finally love my neighbor as myself.

Mother Mary, awaken all people to the defense of life

1. Mother Mary, awaken the top ten percent of the most spiritual people to the recognition that evil does exist as a temporary force on this planet. Help them recognize and admit that the threat of war is too serious to continue believing in the illusion that if we ignore a problem, it will go away by itself. I AM the Flame of Unconditional Love consuming the Cain consciousness.

Hail Mother Light

**Hail Mary, we give praise
the Mother Light in all you raise.
The base is of the purest white,
the soul is basking in delight.
The solar center is at peace,
all troubles in the heart now cease.**

**The throat is shining oh so blue,
the brow emits an emerald hue.
The crown is like a sea of gold,
as thousand petals now unfold.
I feel the Mother's gentle kiss,
as I am in eternal bliss.**

2. Mother Mary, awaken all spiritual people to the reality that there are people and forces who do not think the way we do but have absolutely no respect for the sanctity of life. There are people for whom war – even a worldwide war with weapons of mass destruction – is simply an acceptable tool for accomplishing their goal of absolute power and control. For this force of evil to triumph, it only takes that the spiritual people do nothing. I AM the Flame of Unconditional Love consuming the Cain consciousness.

Hail Mother Light

3. Mother Mary, awaken all spiritual people to the reality that unless we take a stand and decide that war is no longer acceptable on this planet, God does not have the authority to remove the forces that cause war. Awaken the spiritual people to the reality that with God all things are possible – which means that we must take a stand with God against the forces of evil. I AM the Flame of Unconditional Love consuming the Cain consciousness.

Hail Mother Light

4. Mother Mary, awaken all spiritual people to the reality that for God to remove those who are absolutely committed to the cause of evil, there must be those who are equally committed to God's cause. Only the most spiritual people have the potential to rise to this level and attain the dis-

cernment between relative good and evil and God's absolute reality. I AM the Flame of Unconditional Love consuming the Cain consciousness.

Hail Mother Light

5. Mother Mary, awaken all spiritual people to the reality that we must see through and rise above the age-old fight between the false gods – the Gog and Magog – of relative good and relative evil. We must be wise as serpents and harmless as doves so we are not pulled into this never-ending fight but can embody the peace that passes understanding. I AM the Flame of Unconditional Love consuming the Cain consciousness.

**Hail Mary, we give praise
the Mother Light in all you raise.
The base is of the purest white,
the soul is basking in delight.
The solar center is at peace,
all troubles in the heart now cease.**

**The throat is shining oh so blue,
the brow emits an emerald hue.
The crown is like a sea of gold,
as thousand petals now unfold.
I feel the Mother's gentle kiss,
as I am in eternal bliss.**

6. Mother Mary, awaken all spiritual people to the fact that only we have the potential to become instruments for Christ judgment. We must present people with a real choice between the one

truth of the Christ mind and the many dualistic "truths" of the mind of anti-christ. It is up to us to awaken people so they stop being blind followers of the blind leaders and see that although they think they are supporting a good cause, they are supporting the power elite. I AM the Flame of Unconditional Love consuming the Cain consciousness.

Hail Mother Light

7. Mother Mary, awaken all spiritual people to the existence of a small elite of people who believe they are better than the general population and have a right to rule. Help the spiritual people see that this power elite has been stopped only when someone had the courage to take a stand for truth and expose their plots for the people to see. Someone must cry out that the emperor has nothing on. I AM the Flame of Unconditional Love consuming the Cain consciousness.

Hail Mother Light

8. Mother Mary, awaken all spiritual people so we can overcome the illusion that praying for peace or being loving and kind will have any effect on the power elite or bring an end to war. We must be wise as serpents and expose the power elite. And we must be harmless as doves so we can turn the other cheek and let God remove them from the Earth. We must take a stand for the truth that will make people free. I AM

the Flame of Unconditional Love consuming the Cain consciousness.

**Hail Mary, we give praise
the Mother Light in all you raise.
The base is of the purest white,
the soul is basking in delight.
The solar center is at peace,
all troubles in the heart now cease.**

**The throat is shining oh so blue,
the brow emits an emerald hue.
The crown is like a sea of gold,
as thousand petals now unfold.
I feel the Mother's gentle kiss,
as I am in eternal bliss.**

9. Mother Mary, awaken all spiritual people to the reality that no human effort can remove evil from the Earth. Only the Light of God can remove the darkness, but that Light must enter this world through people in embodiment. Thus, we must dare to let our light shine before men so they can see God's reality beyond the smokescreen of disinformation created by the power elite. I AM the Flame of Unconditional Love consuming the Cain consciousness.

Hail Mother Light

Mother Mary and Mother Liberty, awaken all people to the need to defend life against the forces of violence and war. Cut free all people from the inertia, the indifference and the spiritual blindness that prevents us from seeing that people are being sacrificed on the

insatiable altar of war. Awaken all people so we can come apart from the power elite, who misuse life and treat people as commodities or as chess pieces in their never-ending game for power and control. I now use my free will to call to all spiritual people everywhere:

WAKE UP AND DEFEND LIFE!
(4X)

1. Hail Mary, we give praise
the Mother Light in all you raise.
In perfect balance light will stream,
in harmony our souls will gleam.

Refrain:

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

2. The base is of the purest white,
four petals radiate your light.
The Mother bows in purest love
to God the Father from Above.

3. The soul is basking in delight,
as violet flame is shining bright.
The soul is breathing God's pure air,
she feels so free in Mother's care.

4. The solar center is at peace,
as fear and anger we release.
The sacred ten will now unfold
a glow of purple and of gold.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

5. All troubles in the heart now cease,
as Mary's love brings great release.
The rose of twelve in fullest bloom,
the soul is free to meet her groom.

6. The throat is shining oh so blue,
the will of God is always true.
God's power is released in love
through Christ direction from Above.

7. The brow emits an emerald hue,
Christ's perfect vision we pursue,
and as we see God's perfect plan,
we feel God's love for every man.

8. The crown is like a sea of gold,
as thousand petals now unfold.
We see the Buddha in the crown,
arrayed in his celestial gown.

9. When Mother Light and Buddha
meet,
the force of darkness they defeat,

with Jesus and our saint Germain.
they bring the Golden Age again.

10. I feel the Mother's gentle kiss,
as I am in eternal bliss,
floating in a space sublime,
in harmony with sacred chime.

Coda:

By Mother Mary's endless Grace,
we conquer time, we conquer space.
The Buddha Nature is in all
and thus we rise to heed the call
to be the Christed ones on Earth,
the Golden Age is given birth.

NOTE: Give the entire decree at least one time. You
can give it as many times as you like before continuing
the rosary.

I accept that Mother Mary and Mother
Liberty envelope the Earth in the infi-
nite and unconditional love of the Di-
vine Mother. I accept that the Earth is a
sun, radiating divine love to the cos-
mos.

I choose to be free from war

I now choose to accept full responsibil-
ity for my own mind and my own life,
thus attaining freedom from the sense
that I am a victim of forces beyond my
control. I recognize that I can be truly
free only when I have the power to
choose my reactions to any situation. I
am free only when I can choose to re-
spond with love no matter what life
sends my way.

I choose to recognize that when people are blinded by the consciousness of anti-christ, they cannot see beyond the dualistic struggle for superiority. Thus, they cannot see a peaceful solution to conflict and they cannot see that all conflict springs from the illusion of separation. I choose to rise above this duality and reach for the single-eyed vision of the Christ mind that allows me to see the underlying oneness of all life.

I recognize that only when I see the oneness of all life can I respond with love to all situations. And only when I come from love will I see that there is a non-violent solution to every problem, crisis or conflict. Only those who are free from duality can be the open doors for bringing that solution into the material realm for all to see. Thus, I declare that I am willing to be the open door for the non-violent solutions of the Christ mind and for the Flame of Ecstatic Peace that will consume all opposition to their implementation.

Saint Germain, awaken all people to the defense of freedom

1. Saint Germain, awaken all people to the realization that violence and war is the ultimate threat to freedom. People are never less free than when they think their only option is to respond to a situation with violence. A nation is never less free than when it thinks its only option is war. Thus, violence and

war is based on a lie, and to overcome war we must set our minds free to find a non-violent solution. I AM the Flame of Freedom consuming all spiritual blindness.

Hail Freedom Flame

Oh Saint Germain, bring Freedom's Flame,

you come to Earth in Christ's own name.

For Christ is Lord and you are king, as peace and freedom now you bring. Together you will turn the page and lead us to the Golden Age.

Oh Saint Germain and Jesus dear, to you and Mary we draw near. Together we now bring the light that makes the Earth a star so bright. By Michael raised for all to see, the banner of Christ Victory.

2. Saint Germain, awaken all people to the realization that they have been ruled by a power elite for millennia and that democracy is no guarantee against tyranny. Help people see that in a democracy the power elite simply rule through misinformation rather than raw force. They can continue to rule as long as the people are ignorant of what is happening behind the scenes. I AM the Flame of Freedom consuming all spiritual blindness.

Hail Freedom Flame

3. Saint Germain, awaken all people to the realization that the power elite have absolutely no respect for God, for truth, for higher principles or for the value of human life. For them individuals and nations are simply chess pieces that can be sacrificed for the sake of winning the ultimate power game. Thus, people must wake up and decide whether they will serve God or mammon. I AM the Flame of Freedom consuming all spiritual blindness.

**Oh Saint Germain, bring Freedom's Flame,
you come to Earth in Christ's own name.
For Christ is Lord and you are king,
as peace and freedom now you bring.
Together you will turn the page
and lead us to the Golden Age.**

**Oh Saint Germain and Jesus dear,
to you and Mary we draw near.
Together we now bring the light
that makes the Earth a star so bright.
By Michael raised for all to see,
the banner of Christ Victory.**

4. Saint Germain, awaken all people to the fact that the power elite have created virtually every war and that no war was started for a benign purpose. Wars are the result of rivalry between different power elite groups or the desire to make money or attain power. Terrorism is simply the latest weapon for creating tension, increasing military

spending and undermining freedom. Thus, the people must refuse to be drawn into supporting either side in this dualistic struggle. I AM the Flame of Freedom consuming all spiritual blindness.

Hail Freedom Flame

5. Saint Germain, awaken all people to the fact that war always takes away the freedom and the lives of the common people. Freedom cannot be forced and cannot be won through force. Thus, when the first shot is fired, the first casualty is freedom. The people will win their freedom only when they expose the power elite and refuse to fight their battles for them. I AM the Flame of Freedom consuming all spiritual blindness.

Hail Freedom Flame

6. Saint Germain, awaken all people to the fact that the power elite never fights in a war, so they need the people to fight for them. Thus, war can be overcome only when people refuse to be manipulated into fighting the wars of the power elite. The power elite will never stop war, for it serves their hidden purposes. Thus, only the people can stop war, and they can do so only by taking a stand for peace and demanding that their leaders find non-violent solutions to all problems. I AM the Flame of Freedom consuming all spiritual blindness.

**Oh Saint Germain, bring Freedom's
Flame,
you come to Earth in Christ's own
name.
For Christ is Lord and you are king,
as peace and freedom now you bring.
Together you will turn the page
and lead us to the Golden Age.**

**Oh Saint Germain and Jesus dear,
to you and Mary we draw near.
Together we now bring the light
that makes the Earth a star so bright.
By Michael raised for all to see,
the banner of Christ Victory.**

7. Saint Germain, awaken all people to the reality that if they do not take full responsibility for government, then the power elite will inevitably take control of government behind the scenes. Thus, the people must wake up, take a stand and demand God-government based on the truth of Christ rather than government that is based on the compromises of the mind of anti-christ. I AM the Flame of Freedom consuming all spiritual blindness.

Hail Freedom Flame

8. Saint Germain, awaken all people to the reality that all injustice is caused by the power elite who believe some people are better than others and thus deserve special rights and privileges. Help people see that even a just cause cannot justify unjust methods. Therefore, we must be our brother's keeper

and demand that freedom and a reasonable standard of living be extended to all people. We must refuse privileges based on the exploitation of the people by an elite and we must refuse to be part of that elite. I AM the Flame of Freedom consuming all spiritual blindness.

Hail Freedom Flame

9. Saint Germain, awaken all people to the reality that the Earth has a potential to manifest a Golden Age of peace and prosperity for all people. Yet this can happen only when the power elite is removed from power. And this can happen only when people wake up and refuse to blindly follow the blind leaders but instead demand leadership based on the reality and vision of the Living Christ. Only when the people demand true leadership will they receive it. I AM the Flame of Freedom consuming all spiritual blindness.

Hail Freedom Flame

Saint Germain, help all people realize that true freedom can come only when people are willing to rise above their past, to forgive all past actions rather than feeling guilty or holding a grudge. Help people see that there is only one way to overcome the vicious cycle of one war setting the stage for the next war, and that is for people to forgive unconditionally. Help people know that they can be made whole in the Violet Flame of Forgiveness that erases all

imperfect energies from the past, washing them clean to begin the new day with a clear mind and a pure heart. Help people realize that the pure in heart shall see God and in seeing God shall no longer live as humans but be reborn into their true identity as sons and daughters of God. And only in the realization that all are part of the Body of God can there be peace on Earth and good will among all people. I now use my free will to call to all spiritual people everywhere:

WAKE UP AND BE THE FLAME OF FREEDOM! (4X)

1. Oh Saint Germain, bring Freedom's Flame,
you come to Earth in Christ's own name.
The violet flame is your own plan to raise the Christ in every man.

Refrain:

**Violet flame, let it flow,
saturate all life below,
always flowing, ever growing
upon us all grace bestowing.**

**Violet fire, penetrate,
violet fire saturate,
violet fire purify,
violet fire sanctify,
we are pure, we are healed,
in your light, we are sealed,
forever free
in God to be.**

2. For Christ is Lord and you are king,
as peace and freedom now you bring.
with Jesus you now point the way
that brings the dawn of a new day.

3. Together you will turn the page
and lead us to the Golden Age.
Where Freedom's flame will reign supreme,
fulfilling Heavens highest dream.

4. Oh Saint Germain and Jesus dear,
to you and Mary we draw near.
From you above to us below,
we will maintain a constant flow.

5. Together we now bring the light
that makes the Earth a star so bright.
her radiance will shine through space
awakening the I AM race.

6. By Michael raised for all to see,
the banner of Christ Victory.
All darkness is replaced by light,
as all of cosmos shines so bright.

7. Oh Saint Germain, we keep the
flame
of freedom burning in your name,
until the Golden Age we see,
an age in which all life is free.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

In the name of the Elohim of Peace,
Jesus Christ, Mother Mary, Saint Ger-

main and the Great Divine Director, I invoke the Flame of Ecstatic Peace and I say:

EUTAI [pronounced eeh-u-tay] (Chant 3X, 9X, 33X or 144X)

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from the spirits and energies of war.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from the lies of anti-christ that lead to war.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from the ultimate spiritual slavery of fighting the wars started by the forces of anti-christ.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from the ultimate material slavery of fighting the wars started by the power elite.

I affirm that Archangel Michael and his billions of Blue-flame Angels are binding all dark spirits that start wars in order to steal people's life energy through the spilling of the blood of the innocents.

I choose to be one with my God, and therefore I am the Presence of Archan-

gel Michael binding the forces of war on Earth.

The Earth is the Lord's and the fullness of his Peace. (3X) Amen.

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

Sealing

I affirm that Archangel Michael and his Blue-flame Angels surround all people with an impenetrable shield of Blue-flame energy. I affirm that we are sealed from all energies of anti-peace sent against us by the forces of this world. I accept that Archangel Michael binds the enemy within us, the human ego, so that when the prince of this world comes, he has nothing in us. I surrender the anti-self and the warring in the members of myself and all people, and I accept that it is consumed by the Flame of Ecstatic Peace and the unconditional love of Mother Mary. I accept that people's anti-selves are replaced by their Christ selves, now and forever.

By the power of the Christ Flame within me, I affirm that I am sealed in the Flame of Ecstatic Peace. I affirm that all people are sealed in the Flame of Ecstatic Peace. I affirm that the Earth is sealed in the Flame of Ecstatic Peace. Amen.
