

## Rosary for a Golden Future

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

In the name of the I AM THAT I AM, Jesus Christ, I dedicate this rosary to the manifestation of a golden future in . . .

(Describe the personal or planetary situations that you want to see transformed).

### **I AM being More**

River of Life, abundant flow  
with your light I am aglow.

I am flowing—I am growing,  
one with your eternal knowing.  
Fill my space—with your grace,  
I am in my rightful place.  
I will BE—forever free,  
my God plan I always see.  
Sacred dove—from above,  
no conditions in God's love.  
As I call—light does fall,  
raising up the Christ in all.  
Life is sealed—all are healed,  
God's perfection is revealed.  
We begin—without sin,  
one with God, we will win.  
Life is one—God has won,  
a new day has begun.  
Sacred light—oh so bright,  
everything is now set right.  
Earth is free—now to BE,  
Freedom's Star for all to see.  
Always MORE—than before,

River of Life I do adore.  
I AM MORE—forevermore,  
the Flow of Life I do restore.

River of life, through the Son,  
Father, Mother are as one.

### **Archangel Michael, I know the future will be MORE**

1. Archangel Michael, I see that beyond faith is inner knowing. I rise above faith and I KNOW, in the core of my Being, that God is real and God is my source. In the Flame of Unconditional Optimism, I embrace the future with love.

Hail Glorious Future

**I break the bonds, I break the mold,  
the future looks so bright and bold.  
For I am willing to transcend,  
and thus all sorrow has an end.  
No matter what has gone before,  
I know the future will be MORE.**

**From God I have no need to hide,  
for in his kingdom I reside.  
God's kingdom is a state of mind,  
that I will help all people find.  
As I am shining like a sun,  
a golden future has begun.**

2. Archangel Michael, I KNOW it is the Father's good pleasure to give me his kingdom, even while I am here on Earth.

In the Flame of Unconditional Optimism, I embrace the future with love.

**I break the bonds, I break the mold,  
the future looks so bright and bold.  
For I am willing to transcend,  
and thus all sorrow has an end.  
No matter what has gone before,  
I know the future will be MORE.**

**From God I have no need to hide,  
for in his kingdom I reside.  
God's kingdom is a state of mind,  
that I will help all people find.  
As I am shining like a sun,  
a golden future has begun.**

3. Archangel Michael, I KNOW that in order to receive God's kingdom, I have to enter into it, I have to BE in the kingdom while here on Earth. In the Flame of Unconditional Optimism, I embrace the future with love.

**Hail Glorious Future**

4. Archangel Michael, I KNOW the doorway to God's kingdom is within me, for it is my own state of consciousness. Thus, nothing outside of me can prevent me from receiving the kingdom. In the Flame of Unconditional Optimism, I embrace the future with love.

**Hail Glorious Future**

5. Archangel Michael, I KNOW that if I do not have the abundant life God wants me to have, it is because I am pushing it away from me. I consciously stop doing this, NOW! In the Flame of Uncondi-

tional Optimism, I embrace the future with love.

**Hail Glorious Future**

6. Archangel Michael, I fully identify myself as a co-creator with God. I accept that I am fully worthy to receive my Divine Father's kingdom and my Divine Mother's nurturance. In the Flame of Unconditional Optimism, I embrace the future with love.

**Hail Glorious Future**

7. Archangel Michael, I KNOW the material universe is a mirror that reflects back the mental images I send out. Thus, I now choose to think as a being who is already in the kingdom. In the Flame of Unconditional Optimism, I embrace the future with love.

**Hail Glorious Future**

8. Archangel Michael, I KNOW the Lord is my shepherd, and I shall not want. Thus, I choose to feel the infinite peace that comes from knowing I am in God's kingdom. In the Flame of Unconditional Optimism, I embrace the future with love.

**Hail Glorious Future**

9. Archangel Michael, I KNOW that what I do unto others, the cosmic mirror will do unto me. Thus, I choose to act as a being who is in God's kingdom, knowing that as I give, so will I receive. In the Flame of Unconditional Optimism, I embrace the future with love.

**Hail Glorious Future**

## **I AM MORE on all seven rays**

In the name of Archangel Michael, Jesus Christ, Mother Mary and Saint Germain, I now accept full responsibility for my state of mind, and I know my future will be a reflection of my consciousness. I invoke oceans of violet flame to consume in my entire being and world all images and energies that uphold the consciousness of pessimism and the illusion that the future is limited by the past. I fully accept that no matter what has happened in the past, the future will be MORE, as I AM MORE.

1. God's Will is that I be the MORE,  
my future has the best in store,  
as God's own kingdom I explore,  
my life is richer than before.

Refrain:

**The images my eyes project  
the cosmic mirror will reflect,  
so as my vision I perfect,  
a golden future I expect.**

**The violet flame will set me free  
from visions of a lesser me,  
as through the eye of Christ I see,  
in God's perfection I will be.**

2. God's Wisdom makes it crystal clear,  
the future I need never fear,  
to God's own law I do adhere,  
forever in his Sacred Sphere.

3. God's love is perfect and I know,  
I am in his eternal flow.  
My heart is like a lamp aglow,  
as I my love on all bestow.

4. God's Purity is like a fire  
consuming every false desire.  
To selfless service I aspire,  
lifting people ever higher.

5. God's healing Truth lifts every soul,  
all weary hearts it will console.  
It gives to all a higher goal,  
making every person whole.

6. God's Peace descends upon us all,  
refreshing like a waterfall,  
it sets us free from all that's small,  
so we can follow freedom's call.

7. God's Freedom setting all things right,  
all shadows are replaced by light,  
We see anew with inner sight,  
as we are lifted to new height.

8. Through mastery on every ray,  
my future is a bright new day,  
for I have found the Middle Way,  
I am at heart a child at play.

9. In knowing my intrinsic worth,  
I find anew that sacred mirth,  
in Spirit I have found rebirth,  
God's kingdom I now see on Earth.

Coda:

**Violet flame, let it flow,  
saturate all life below,  
always flowing, ever growing  
upon us all grace bestowing.**

**Violet fire, penetrate,  
violet fire saturate,  
violet fire purify,  
violet fire sanctify,  
we are pure, we are healed,  
in your light, we are sealed,  
forever free  
in God to be. (3X or 9X)**

NOTE: Repeat the Coda 3 or nine times for each time you give the decree. Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

### **Beloved Jesus, I know the power of God within me**

1. Oh Jesus, I seek first the kingdom of God and his righteousness—the right use of my creative faculties. I AM one with the Flame of Unconditional Optimism.

**Hail Victorious Life  
With Christ I know there is no death,  
I flow with the eternal breath.  
In knowing life is truly one,  
my freedom I have surely won,  
for in my oneness I am free,  
my Sacred Self on Earth to be.**

**I answer Christ's eternal call,  
and give my life to raising all.  
In selfless service I will find  
my freedom from the ego mind.  
My path is what the saints have trod,  
the road to oneness with our God.**

2. Oh Jesus, I KNOW that having the kingdom of God means that I am spiritually self-sufficient. Thus, I need nothing from this world in order to be whole. I AM one with the Flame of Unconditional Optimism.

### **Hail Victorious Life**

3. Oh Jesus, I KNOW that by seeking first spiritual wholeness and self-sufficiency, everything I really need will be added unto me by the power of God within me. Thus, optimism is actually supreme realism. I AM one with the Flame of Unconditional Optimism.

### **Hail Victorious Life**

4. Oh Jesus, I lovingly surrender all expectations and the sense of being entitled to something from life on Earth. I lovingly accept that if I don't have something, it is because I do not need it.

I AM one with the Flame of Unconditional Optimism.

**With Christ I know there is no death,  
I flow with the eternal breath.  
In knowing life is truly one,  
my freedom I have surely won,  
for in my oneness I am free,  
my Sacred Self on Earth to be.**

**I answer Christ's eternal call,  
and give my life to raising all.  
In selfless service I will find  
my freedom from the ego mind.  
My path is what the saints have trod,  
the road to oneness with our God.**

5. Oh Jesus, I let go of the illusion that the Earth should be perfect, and thus I stop being paralyzed by challenges or opposition. I vow to never enter a negative frame of mind but to always multiply my talents by making the best of every situation. I AM one with the Flame of Unconditional Optimism.

**Hail Victorious Life**

6. Oh Jesus, I KNOW the Earth is a schoolroom and some events are the results of my own past choices. I lovingly look for the lesson, so I do not repeat old patterns but create a brighter future by making better choices in the present. I AM one with the Flame of Unconditional Optimism.

**Hail Victorious Life**

7. Oh Jesus, I KNOW that even God cannot control people's use of free will. Yet when others hit me on one cheek, I will not resist their evil but will turn the other cheek and let the law of God be their judgment. I AM one with the Flame of Unconditional Optimism.

**Hail Victorious Life**

8. Oh Jesus, I will remain in a state of perpetual forgiveness, so I forgive God, myself and other people even before events happen. Because I know I need nothing from this world, nothing can take away my peace of mind. I AM one with the Flame of Unconditional Optimism.

**Hail Victorious Life**

9. Oh Jesus, I am like the little child who innocently flows with the River of Life. I KNOW the essence of the ego is to resist life, to resist self-transcendence. I lovingly pull the beam of resisting life from my own eye, and I am reborn of water and of Spirit. I AM one with the Flame of Unconditional Optimism.

**Hail Victorious Life**

**I AM MORE on all seven rays**

In the name of Archangel Michael, Jesus Christ, Mother Mary and Saint Germain, I now accept full responsibility for my state of mind, and I know my future will be a reflection of my consciousness. I invoke oceans of violet flame to consume in my entire being and world all images and energies that uphold the

consciousness of separation and make me doubt the power of God within me. I fully accept that no matter what has happened in the past, God's law will give me a better future as I raise my consciousness.

1. God's Will is that I be the MORE,  
my future has the best in store,  
as God's own kingdom I explore,  
my life is richer than before.

NOTE: Repeat the Coda 3 or nine times for each time you give the decree. Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

**Mother Mary, I seek wholeness before anything in this world**

1. Oh Mother Mary, I KNOW that everything in this world is just an appearance that hides God's spiritual kingdom behind a veil of matter. Thus, the Matter Light can as easily outpicture God's abundance as the present limitations. Oh Mother Mary, I am one with your unconditional surrender to LIFE.

**Hail Future Bright  
God's Oneness is my highest goal,  
and in that oneness I am whole.  
My higher self will work through me  
to bring about Christ Victory.  
As I am nurtured by the light,  
I know the future will be bright.**

**All human needs I now let go,  
immersed in the Eternal Flow.  
When moving with the Sacred Tide,  
I know God's Power will provide.  
I see all life infused with love,  
abundance flowing from Above.**

2. Oh Mother Mary, I KNOW that everything that happens in the material world is an opportunity for spiritual growth, bringing me closer to oneness with God. I want oneness more than I want to own or control anything in this world. Oh Mother Mary, I am one with your unconditional surrender to LIFE.

**Hail Future Bright**

3. Oh Mother Mary, I KNOW that if I want something in the material world more than spiritual wholeness, the Matter Light cannot give it to me, for that would only imprison me in a gilded cage. Oh Mother Mary, I am one with your unconditional surrender to LIFE.

**Hail Future Bright**

4. Oh Mother Mary, I KNOW that when I commit myself fully to spiritual growth, my real material needs will be taken care of. I let go of the ego's fear of

loss that causes me to resist life. I KNOW that it is my attempts to avoid loss that cause me to push away God's abundance. Oh Mother Mary, I am one with your unconditional surrender to LIFE.

**God's Oneness is my highest goal,  
and in that oneness I am whole.  
My higher self will work through me  
to bring about Christ Victory.  
As I am nurtured by the light,  
I know the future will be bright.**

**All human needs I now let go,  
immersed in the Eternal Flow.  
When moving with the Sacred Tide,  
I know God's Power will provide.  
I see all life infused with love,  
abundance flowing from Above.**

5. Oh Mother Mary, I KNOW that the universe is a mirror, and therefore it will inevitably reflect back what I send out. So when I make the best of what I have right now, I will inevitably improve my future. Oh Mother Mary, I am one with your unconditional surrender to LIFE.

**Hail Future Bright**

6. Oh Mother Mary, I now see that until I send out positive thoughts and feelings, the cosmic mirror cannot reflect back positive circumstances. I now break the circular logic of thinking I can only be positive after I receive better circumstances. Oh Mother Mary, I am one with your unconditional surrender to LIFE.

**Hail Future Bright**

7. Oh Mother Mary, I see that I create the future in the now. I also realize I have sent out negative images in the past, and it may take some time to rise above my past choices. Thus, I am willing to keep sending out positive images until I receive positive circumstances. Oh Mother Mary, I am one with your unconditional surrender to LIFE.

**Hail Future Bright**

8. Oh Mother Mary, I KNOW the Ma-ter Light will gladly give me the abundant life but that I cannot receive it when I allow my ego to cause me to resist self-transcendence. I acknowledge that happiness is a choice, and I choose to enter the consciousness of non-resistance to LIFE. Oh Mother Mary, I am one with your unconditional surrender to LIFE.

**Hail Future Bright**

9. Oh Mother Mary, I now make an absolute commitment to having dominion over my mind by surrendering every element of the ego's resistance to LIFE. I AM a Spiritual Sun, letting my light shine without expecting anything in return. I give for the sheer joy of feeling God's Light flowing through me, and in this flow I am in true bliss. Oh Mother Mary, I am one with your unconditional surrender to LIFE.

**Hail Future Bright**

## **I AM MORE on all seven rays**

In the name of Archangel Michael, Jesus Christ, Mother Mary and Saint Germain, I now accept full responsibility for my state of mind, and I know my future will be a reflection of my consciousness. I invoke oceans of violet flame to consume in my entire being and world all images and energies that uphold the illusion that I need to resist LIFE and seek to control my future instead of flowing with the River of Life. I fully accept that no matter what has happened in the past, God wants to give me every good and perfect thing, and thus optimism is truly supreme realism.

1. God's Will is that I be the MORE,  
my future has the best in store,  
as God's own kingdom I explore,  
my life is richer than before.

### **Saint Germain, I will find my right place in your Golden Age**

1. Oh Saint Germain, I now see that the River of Life never stops transcending itself but is an ongoing process of being MORE. The true alchemy of life is to transform every situation into a golden moment by living in the Eternal NOW. The Earth is transformed by the alchemy of Unconditional Optimism.

**Hail Divine Alchemy  
Transcendence is the Master Key,  
releasing God's own Alchemy.  
Transformed by Freedom's Sacred Fire,  
I lift my vision ever higher.  
I see beyond all that is less,  
the future is a great success.**

**As God's own vision I behold,  
I see the Golden Age unfold.  
I see the people rise and claim  
this planet in God's Sacred Name.  
As people find the Christ within,  
The final victory we win.**

2. Oh Saint Germain, I am committed to always being in the flow of the River of Life. Thus, I will not resist the challenges life brings, nor will I resist letting go of life's pleasures in order to BE MORE. The Earth is transformed by the alchemy of Unconditional Optimism.

**Hail Divine Alchemy**

3. Oh Saint Germain, I see that the alchemy of the Spirit can transform even my mistakes into stepping stones for self-transcendence. Thus, I will do the best I can and never worry about whether I made the right decision. For regardless of the outcome, I will use every experience to self-transcend and co-create a better future. The Earth is transformed by the alchemy of Unconditional Optimism.

**Hail Divine Alchemy**

4. Oh Saint Germain, I see that for my joy to be full, I must reach beyond myself and help others grow spiritually. For it is in giving my life to raise up others, without expecting any reward on Earth, that I receive MORE from the source of LIFE. The Earth is transformed by the alchemy of Unconditional Optimism.

**Transcendence is the Master Key,  
releasing God's own Alchemy.  
Transformed by Freedom's Sacred Fire,  
I lift my vision ever higher.

I see the Golden Age unfold.  
I see the people rise and claim  
this planet in God's Sacred Name.  
As people find the Christ within,  
The final victory we win.**

5. Oh Saint Germain, I now see that the little self, the separate self, can never be fully happy. I can be happy only through the alchemy of transforming my sense of identity and becoming a spiritual sun, selflessly letting my light shine upon all. The Earth is transformed by the alchemy of Unconditional Optimism.

**Hail Divine Alchemy**

6. Oh Saint Germain, I am committed to discovering my Divine plan. I will take my place in the planetary alchemy and help bring the Golden Age of Aquarius into full manifestation. I am reborn into

a new sense of oneness with God's purpose. The Earth is transformed by the alchemy of Unconditional Optimism.

**Hail Divine Alchemy**

7. Oh Saint Germain, I am committed to letting the ever-moving winds of the Holy Spirit move me to where I can let my light shine and bear witness to my truth. I am willing to be where I can do the most good in setting others free and bringing in the Golden Age. The Earth is transformed by the alchemy of Unconditional Optimism.

**Hail Divine Alchemy**

8. Oh Saint Germain, I see every moment as a precious opportunity — not to receive anything from this world, but to give light and truth to set all life free. I can never lose, for I have risen above the dualistic sense of victory and defeat and have found the true God-Victory of perpetual self-transcendence. The Earth is transformed by the alchemy of Unconditional Optimism.

**Hail Divine Alchemy**

9. Oh Saint Germain, I immerse myself fully in the River of Life with the complete trust of the childlike mind. I know the Holy Spirit will take me where I need to be. I will therefore approach every situation as a golden opportunity to demonstrate the true alchemy of acting without expecting a self-centered reaction from the material world. In separating action from reaction and giving unconditionally, I flow with LIFE into

the infinite ocean of bliss. The Earth is transformed by the alchemy of Unconditional Optimism.

**Transcendence is the Master Key,  
releasing God's own Alchemy.  
Transformed by Freedom's Sacred Fire,  
I lift my vision ever higher.  
I see beyond all that is less,

I affirm that I am sealed in the perpetual figure-eight flow of the Holy Spirit. I love the Holy Spirit and I vow to BE here below, all that I am Above—and MORE. I declare my oneness with my I AM Presence, and vow to embrace the future with unconditional optimism. I vow to multiply my talents and BE MORE in every situation. I vow to transcend all limitations so that I can remain in the flow of the River of Life. I vow to give love unconditionally, never expecting a reward on Earth, but giving for the pure joy of giving.

In the name of the Father, the Son and the Holy Spirit, in the name of the Divine Mother, I affirm that I am sealed in the Flame of Unconditional Optimism, now and forever. I affirm that all people are sealed in the Flame of Unconditional Optimism, now and forever. I affirm that the Earth is sealed in the Flame of Unconditional Optimism, now and forever. Amen.
