

Rosary of the Eternal NOW

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

In the name of the I AM THAT I AM, Jesus Christ, I dedicate this rosary to the manifestation of the Infinite Peace of the Eternal NOW in . . .

(Describe the personal or planetary situations that you want to see transformed).

I am the light of the world

The kingdom of heaven is at hand—and I accept it NOW.

I do not live by bread alone, but by every word that proceeds out of the mouth of God.

I do not tempt the Lord my God. I worship the Lord my God, and him only do I serve.

I am beyond spiritual pride, and mine is the kingdom of heaven.

I am meek, and I accept the Earth as my rightful inheritance.

I continually hunger and thirst after righteousness, yet I am indeed filled.

I am merciful, and I accept God's mercy.

I am pure in heart, and I see God.

I am a peacemaker, and I am among the children of God.

I know that when I am persecuted for righteousness' sake, mine is the kingdom of heaven.

When people revile me and persecute me, and say all manner of evil against me falsely, for Christ's sake, I rejoice, and I am exceeding glad, for great is my reward in heaven.

I am the light of the world. A city that is set on an hill cannot be hid.

I let my inner light so shine before people that they may see my good works, and glorify my Father which is in the kingdom of God that is within me and within themselves.

Mother Mary, I seek wholeness before anything in this world

1. *Preceded by perception are mental states, for them is perception supreme. If with perception polluted one speaks or acts, suffering follows.**
Mother Mary, in oneness with you I am saturated with the unconditional love of the Divine Mother. I can see beyond the appearances of this transient world, and I hold the immaculate concept for myself, all life and the Earth.

* The first two sections contain quotes from the New Testament. The remaining sections contain quotes from the Dhammapada with the words of the Buddha.

**Eternal NOW, Eternal Peace,
my mortal life I now release.

all struggles of the past will cease.**

I can see beyond the temporary illusions of this world, and I am anchored in the reality of the spiritual realm.

Hail Eternal NOW

3. *Riches ruin the foolish, but not those in quest of the Beyond. Through craving for riches the ignorant ruin themselves and others.* Oh Mother Mary, in oneness with you, I am saturated with the unconditional love of the Divine Mother. I know I need nothing from this world in order to be whole.

Hail Eternal NOW

4. *Victory breeds hatred. The defeated live in pain. Happily the peaceful live, giving up victory and defeat.* Oh Mother Mary, in oneness with you, I am saturated with the unconditional love of the Divine Mother. I am free of the ongoing dualistic struggles of this world.

I let go of all sense of ownership concerning the things of this world, including my mortal identity.

Hail Eternal NOW

7. *Do not disregard merit, saying, “It will not come nigh unto me;” by the falling of drops even a water-jar is filled, likewise the wise persons, gathering little by little, fill themselves with good.* Oh Mother Mary, in oneness with you, I am saturated with the unconditional love of the Divine Mother. Gautama Buddha, I surrender all identification with the separate self

1. *Just as a deep lake is clear and still, even so, on hearing the teachings, the wise become exceedingly peaceful.* Gautama Buddha, in oneness with you, I experience everything as the Buddha Nature. I now understand, integrate and embody the teachings of Christ and Buddha, and I have true inner peace.

**Eternal NOW, Eternal Peace,
my mortal life I now release.
Eternal NOW, Eternal Peace,
all struggles of the past will cease.**

**Eternal NOW, Eternal Peace,
all my attachments I release.
Eternal NOW, Eternal Peace,
all struggles of the future cease.**

**Eternal NOW, Eternal Peace,
the separate self I now release.
Eternal NOW, Eternal Peace,
all struggles of the present cease.**

**My victory o'er death is won,
in wholeness I remain the One.**

2. Mindfulness is the path to eternal life, mindlessness is the path to death. The mindful do not die; the mindless are like unto the dead. Gautama Buddha, in oneness with you, I experience everything as the Buddha Nature. I know I am beyond the consciousness of duality, the consciousness of spiritual death. I am reborn into identification with my Buddha Nature.

Hail Eternal NOW

3. Well awakened the disciples of Christ and Buddha ever arise—they who by day and night always contemplate their true nature. Gautama Buddha, in oneness with you, I experience everything as the Buddha Nature. I am always mindful that I am my conscious self and that I am an extension of God's own Being.

Hail Eternal NOW

4. The gift of Truth excels all gifts. The flavor of Truth excels all flavors. The pleasure in Truth excels all pleasures. Those who have destroyed craving overcome all sorrow. Gautama Buddha, in oneness with you, I experience everything as the Buddha Nature. I am free of all cravings for anything in this transient world.

Hail Eternal NOW

5. Oneself, indeed, is one's saviour, for what other saviour would there be? With oneself well

controlled one obtains a saviour difficult to find. Gautama Buddha, in oneness with you, I experience everything as the Buddha Nature. I know the only key to salvation is the Path of Oneness with my Buddha Nature.

Hail Eternal NOW

6. They whose knowledge is deep, who are wise, who are skilled in the right and wrong way, who have reached the highest goal—those I call masters of Self. Gautama Buddha, in oneness with you, I experience everything as the Buddha Nature. I rise above the false path, the broad way that leads to destruction. I am firmly anchored on the straight and narrow way, the Middle Way, of Christ and Buddha.

Hail Eternal NOW

7. Those who have no longings, who, through knowledge, are free from doubts, who have gained a firm footing in the Deathless—those I call masters of Self. Gautama Buddha, in oneness with you, I experience everything as the Buddha Nature. I have the true knowledge that this world is an illusion in which nothing is permanent. I exist in the Eternal NOW, and I know there is permanence only in constant self-transcendence.

Hail Eternal NOW

8. For whom there exists neither the hither nor the farther shore, nor both the hither and the farther shore, those who are non-attached and unbound—those I call masters of Self. Gautama Buddha, in oneness with you, I experience everything as the Buddha Nature. I am free of all longings for past, present and future, for what is not or what might be. I am in perfect peace in experiencing how the River of Life flows, as it constantly transcends itself in the Eternal NOW.

Hail Eternal NOW

9. Those who have no clinging to appearances that are past, future, or present, who are without clinging and grasping—those I call masters of Self. Gautama Buddha, in oneness with you, I experience everything as the Buddha Nature. I see that behind all appearances is the one real-

ity of the Buddha Nature. Thus, I am free to be the Christ and the Buddha, serving to set all life free from the illusions of Mara.
