

Rosary for Restoring the WORD World-wide

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

By the authority of my Christ Flame, I invoke the entire LOGOS, all beings who are in Oneness with the universal Christ Mind, the source of spiritual life, the source of all truth and the fount of the Living Word. I demand the shattering of the veil of illusion created by the liar and the lie. I demand the exposure of all lies and how they have perverted the WORD of Truth. I demand that all people are given a true choice to give up the ghost of dualistic illusions and accept the eternal life of Christ Truth. I demand the restoration of the WORD of Truth in all areas of government and society, especially in...

(Describe the situations and conditions that you want this rosary to resolve.)

We honor the LOGOS

In the beginning is the LOGOS, and this Universal Christ mind is *with* God, and the Christ mind *is* God. All things are made by the LOGOS; and without the Christ mind is not any thing made that is made. In the LOGOS is life; and the life of the Universal Christ mind – individualized as the Living Christ – is the light of co-creators.

The light of the Christ mind shines in darkness; and those blinded by the darkness of the duality consciousness comprehend it not. The LOGOS is the true Light, which lights every co-creator that comes into the world.

The LOGOS is in the world, and the world is made by it, and the world knows not the Living Word of the LOGOS. The LOGOS comes unto its own as the Living Word, and those blinded by duality receive not the WORD. But as many as receive the Living Word, to them gives the LOGOS power to BE the Suns of God, even to them that believe on the WORD. Those who accept the Living Word are reborn, not of blood, nor of the will of the flesh, nor of the will of man, but of God.

And the LOGOS is made flesh, and dwells among us as the Living Christ, the WORD incarnate. And we behold the glory of the Living Christ in Jesus, the glory of the only begotten of the Father, full of grace and truth. And now we accept our potential to BE one with the Living Word and thus BE the Suns of God, the Living Christs in this age. And we vow to fulfill our God-given mandate to multiply the WORD within us and BE the open doors, whereby the LOGOS, as the Living Word in us, will have dominion over the Earth.

Archangel Michael, cut us free from the veil of ignorance

1. Archangel Michael, consume all energies of the anti-word around and within the minds and energy fields of the top ten percent of the most spiritually aware people in every nation. I AM the victory of the Living Word exposing the power elite.

Hail Michael

**Archangel Michael, take command,
God government in every land.
Raise up the torch of Freedom's Flame,
that all may know the "I AM" name.
Humanity is now set free,
one people under God to be.**

**Archangel Michael, you are here,
to keep our vision always clear.
We form God's Body here below,
the open door for Grace to flow.
As into action now we spring,
the Golden Age we will to bring.**

2. Archangel Michael, surround the minds and energy fields of the most spiritually aware people with your shield of blue-flame protection. Protect us from the onslaught of confusion and aggressive mental suggestion produced by the power elite in their quest to pacify us and thereby control the Earth. I AM the victory of the Living Word exposing the power elite.

Hail Michael

3. Archangel Michael, cut free the most spiritually aware people from the programming that seeks to prevent us from discovering and accepting our reason for being. Help us see that we are God's co-creators and that we are meant to have dominion over the Earth. I AM the victory of the Living Word exposing the power elite.

Hail Michael

4. Archangel Michael, consume the energies of self-condemnation that rob the most spiritually aware people of our self-esteem. Cut us free to accept that we do have an intrinsic worth because we are spiritual beings who are created in the image and likeness of our Creator. I AM the victory of the Living Word exposing the power elite.

Hail Michael

5. Archangel Michael, consume the energies of condemnation that rob the most spiritually aware people of our courage to take a stand for a higher truth. Cut us free to accept our God-given right to take a stand for truth and challenge the lies of the power elite. I AM the victory of the Living Word exposing the power elite.

Hail Michael

6. Archangel Michael, consume the veil of confusion and illusion that surrounds the minds of the most spiritual people and the entire planet. Cut us free to have the vision that there is a power elite and that its members have influenced history

from the earliest civilizations to today. Thus, one cannot understand history without considering the influence of power elite groups. I AM the victory of the Living Word exposing the power elite.

**Archangel Michael, take command,
God government in every land.
Raise up the torch of Freedom's Flame,
that all may know the "I AM" name.
Humanity is now set free,
one people under God to be.**

**Archangel Michael, you are here,
to keep our vision always clear.
We form God's Body here below,
the open door for Grace to flow.
As into action now we spring,
the Golden Age we will to bring.**

7. Archangel Michael, consume the veil of ignorance that prevents the spiritual people from seeing that there is an established power elite, who are seeking to maintain their privilege and power, and there is an aspiring power elite, who are seeking to take power. Both groups claim to be serving the people, the greater good or even God. I AM the victory of the Living Word exposing the power elite.

Hail Michael

8. Archangel Michael, consume the veil of ignorance that prevents the spiritual people from seeing that this struggle between the established power elite and

the aspiring power elite has been going on for ages—and can go on indefinitely. Cut us free to realize that we have the potential to stop this never-ending struggle by using our God-given free will to decide that enough is enough. I AM the victory of the Living Word exposing the power elite.

Hail Michael

9. Archangel Michael, consume the veil of illusion that prevents the spiritual people from seeing that a power elite captures and maintains power by misusing the word. Cut us free to see through the many dualistic mental boxes and belief systems created by power elite groups, so we can manifest the determination to take back the power of the WORD and use it to expose all hidden agendas. I AM the victory of the Living Word exposing the power elite.

Hail Michael

Protect us from the forces of the anti-word

By the authority of the Christ Flame within my heart, I call to Archangel Michael for the absolute God-protection of all who are meant to be part of the world-wide initiative for restoring the WORD. Protect us from all aggressive mental suggestion and all emotional programming that seeks to pacify us and prevent us from fulfilling our reason for Being.

1. Archangel Michael, take command,
God government in every land.
God's power, wisdom and his love
flows to all nations from Above.

Refrain:

**Archangel Michael, let your power
rain upon us every hour.
Fill us with God's Diamond Will,
our destiny we will fulfill.**

**Planet Earth is now set free,
to manifest her destiny.
As Liberty is in command,
she spreads her light to every land.**

2. Raise up the torch of Freedom's
Flame,
that all may know the "I AM" name.
We keep our course all through the
night,
as we are guided by your light.

3. Humanity is now set free,
one people under God to be.
Our love for Earth is so intense,
we take our stand in her defense.

4. Archangel Michael, you are here,
to keep our vision always clear.
As we our sacred work begin,
we know God's kingdom is within.

5. We form God's Body here below,
the open door for Grace to flow.
Consuming now all patterns old,
the future looks so bright and bold.

6. As into action now we spring,
the Golden Age we will to bring.
We have the vision and the fire
to lift each nation ever higher.

NOTE: Give the entire decree at least one time. You can
give it as many times as you like before continuing the
rosary.

**Beloved Jesus, awaken us to Christ
reality**

1. Beloved Jesus, awaken the most spiri-
tually aware people to the realization
that there is such a thing as God's real-
ity, and that there is a truth that is be-
yond any belief system or institution on
Earth. This Living Truth cannot be ma-
nipulated or misused by the power elite.
I AM the victory of the Living Word
judging the power elite.

Hail Victorious Christ

**Beloved Jesus, you have won,
God has awakened everyone.
No longer can the leaders blind
divide and conquer humankind.
Our eye is single as we see
the truth of Christ that makes us free.**

**Beloved Jesus, we will be
the Christed ones who keep Earth free.
The torch of Pisces we uphold
Aquarius we now unfold.
Your victory for Earth is won,
the Golden Age has now begun.**

2. Beloved Jesus, awaken the most spiri-
tually aware people to the realization
that a power elite cannot reign or even

exist in the light of truth. Thus, a power elite can exist only when there is a gray zone, a veil of illusion, that prevents people from seeing that beyond dualistic ideas is the reality of God. I AM the victory of the Living Word judging the power elite.

**Beloved Jesus, you have won,
God has awakened everyone.
No longer can the leaders blind
divide and conquer humankind.
Our eye is single as we see
the truth of Christ that makes us free.**

**Beloved Jesus, we will be
the Christed ones who keep Earth free.
The torch of Pisces we uphold
Aquarius we now unfold.
Your victory for Earth is won,
the Golden Age has now begun.**

3. Beloved Jesus, awaken the most spiritually aware people to the realization that the forces of anti-christ started by creating this gray zone, and they did so by inserting the element of doubt into the minds of all people on Earth, causing us to doubt our ability to know truth in our hearts. I AM the victory of the Living Word judging the power elite.

Hail Victorious Christ

4. Beloved Jesus, awaken the most spiritually aware people to the realization that the forces of anti-christ have created a conglomerate of ideas that are separated from God's reality. This has been

done by defining two opposing polarities for every issue and then claiming truth must be found within this dualistic system. This makes people focus on the dualistic mental box, preventing them from seeing the non-dualistic truth of Christ beyond it. I AM the victory of the Living Word judging the power elite.

Hail Victorious Christ

5. Beloved Jesus, awaken the most spiritually aware people to the realization that in every historical period, including today, there has been a power elite whose leaders are seeking to define a relative "truth." They then seek to make the people accept it as an absolute truth, which gives them absolute power over us. I AM the victory of the Living Word judging the power elite.

Hail Victorious Christ

6. Beloved Jesus, awaken the most spiritually aware people to the realization that God's truth is the Living Truth, meaning that it is constantly transcending itself and becoming MORE. If we allow the power elite to turn any expression of the Living Word into an unchanging doctrine, we now have the dead word. Any expression of truth that is clothed in the words of this world will inevitably hide the WORD. We connect to the WORD only by going beyond the outer word. I AM the victory of the Living Word judging the power elite.

Hail Victorious Christ

7. Beloved Jesus, awaken the most spiritually aware people to the realization that allowing “truth” to be defined by a dualistic system only causes conflicts by polarizing groups of people toward the opposing extremes. When we have the Living Word, we will know that the Living Truth can be expressed in many ways that are all valid because they are expressions of the same reality. I AM the victory of the Living Word judging the power elite.

**Beloved Jesus, you have won,
God has awakened everyone.
No longer can the leaders blind
divide and conquer humankind.
Our eye is single as we see
the truth of Christ that makes us free.**

**Beloved Jesus, we will be
the Christed ones who keep Earth free.
The torch of Pisces we uphold
Aquarius we now unfold.
Your victory for Earth is won,
the Golden Age has now begun.**

8. Beloved Jesus, awaken the most spiritually aware people to the realization that the ONLY way to know the Living Truth is through the WORD, the Living Word. The WORD is the only way to rise above the dualistic struggle because it divides the real from the unreal. I AM the victory of the Living Word judging the power elite.

Hail Victorious Christ

9. Beloved Jesus, awaken the most spiritually aware people to the realization that the ONLY key to overcoming the oppression and struggle on Earth is to re-establish the WORD as the ultimate authority. Only when we become one with the WORD and raise it as the guiding rod for society can we attain true freedom in our own psyches and true freedom in society. I AM the victory of the Living Word judging the power elite.

Hail Victorious Christ

Awaken us to our love for truth

Beloved Jesus, awaken us to the love for God and God’s truth that we already have in the inner recesses of our beings. Help us realize that the true purpose of any spiritual teaching is NOT to give us absolute truth but to serve as a tool for raising our consciousness, so we connect to the Spirit of Truth within ourselves. By seeking the Spirit of Truth, we can overcome both mental and physical slavery and establish God’s kingdom on Earth. Inspire us to embrace the path to Christhood, so that the true second coming of Christ can happen by the Christ being born in us.

**1. Beloved Jesus, you have won,
God has awakened everyone.
The second coming is at hand
as Christed ones now take a stand.**

Refrain:

**The Living Christ is in me now,
the seal of Christ upon my brow,
The love of Christ is in my heart,
in Jesus' mission I take part.**

**The Christ is come again in me,
I shine his light for all to see.
His perfect love consumes all fear,
so all can sense his presence here.**

2. No longer can the leaders blind
divide and conquer humankind.
we follow Christ the inner king
his truth to all we vow to bring.

3. Our eye is single as we see
the truth of Christ that makes us free.
We shout his message from the roof
as we become his living proof.

4. Beloved Jesus, we will be
the Christed ones who keep Earth free.
Defending life, we take a stand,
the second coming is at hand.

5. The torch of Pisces we uphold
Aquarius we now unfold.
We share your love for Saint Germain
he will the Earth with Justice reign.

6. Your victory for Earth is won,
the Golden Age has now begun,
the inner Christ will make all free
in God's own Presence now to be.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

Mother Mary, awaken our love for Earth

1. Mother Mary, awaken the most spiritually aware people to the realization that the WORD cannot be monopolized by any individual or institution on Earth. Because we are created in God's image, all of us have access to the Living Word. We contact the WORD by refusing to seek truth outside ourselves, using the key of knowledge to find the Living Truth in the kingdom of God within us. I AM the victory of the Living Word balancing Power and Love in the spiritual people on Earth.

Hail Mother Light

**Hail Mary, we give praise
the Mother Light in all you raise.
The base is of the purest white,
the soul is basking in delight.
The solar center is at peace,
all troubles in the heart now cease.**

**The throat is shining oh so blue,
the brow emits an emerald hue.
The crown is like a sea of gold,
as thousand petals now unfold.
I feel the Mother's gentle kiss,
as I am in eternal bliss.**

2. Mother Mary, awaken the most spiritually aware people to the realization that our quest for freedom, justice and the abundant life must begin by seeking first the kingdom of God. We must establish our inner connection to the WORD, so we can divide the real from the unreal. I AM the victory of the Liv-

ing Word balancing Power and Love in the spiritual people on Earth.

**Hail Mary, we give praise
the Mother Light in all you raise.
The base is of the purest white,
the soul is basking in delight.
The solar center is at peace,
all troubles in the heart now cease.**

**The throat is shining oh so blue,
the brow emits an emerald hue.
The crown is like a sea of gold,
as thousand petals now unfold.
I feel the Mother's gentle kiss,
as I am in eternal bliss.**

3. Mother Mary, awaken the most spiritually aware people to the realization that we do not need any earthly institution or authority to define truth for us. We can access the Living Truth from within ourselves by making use of Jesus' Comforter, namely our Christ selves. Thereby, we can escape the prison of dualistic illusions created by the forces of anti-christ. I AM the victory of the Living Word balancing Power and Love in the spiritual people on Earth.

Hail Mother Light

4. Mother Mary, awaken the most spiritually aware people to the realization that once we have recaptured the Living Word, we can expose how the power elite have used religious doctrines, scientific theories and political ideologies

to control our thinking and self-image. I AM the victory of the Living Word balancing Power and Love in the spiritual people on Earth.

Hail Mother Light

5. Mother Mary, awaken the most spiritually aware people to the truth in Jesus' words that with men it is impossible to solve most problems, but that with God all things are possible. All problems are created through the duality consciousness, and we simply cannot find solutions as long as we are blinded by that state of consciousness. I AM the victory of the Living Word balancing Power and Love in the spiritual people on Earth.

Hail Mother Light

6. Mother Mary, awaken the most spiritually aware people to the realization that through the Living Word, we can find solutions to even seemingly impossible problems. The WORD can show us how to overcome war, remove poverty and disease, establish freedom and justice for all people, create a balanced and growing economy, solve environmental problems and stop natural disasters. I AM the victory of the Living Word balancing Power and Love in the spiritual people on Earth.

Hail Mother Light

7. Mother Mary, awaken the most spiritually aware people to the realization that when the word is perverted, there is no longer balance between the masculine and feminine aspects of our beings.

The WORD is the key to re-establishing this balance, and this will happen through the Divine Son, namely the Christ mind expressed through the Living Word. I AM the victory of the Living Word balancing Power and Love in the spiritual people on Earth.

**Hail Mary, we give praise
the Mother Light in all you raise.
The base is of the purest white,
the soul is basking in delight.
The solar center is at peace,
all troubles in the heart now cease.**

**The throat is shining oh so blue,
the brow emits an emerald hue.
The crown is like a sea of gold,
as thousand petals now unfold.
I feel the Mother's gentle kiss,
as I am in eternal bliss.**

8. Mother Mary, awaken the most spiritually aware people to the realization that we are the only ones who have the potential to become instruments for the WORD. Thus, we must overcome all tendency to focus on ourselves and attain the balance of love and power to challenge the power elite. For if the most spiritual people do nothing, the power elite will continue to triumph. I AM the victory of the Living Word balancing Power and Love in the spiritual people on Earth.

Hail Mother Light

9. Mother Mary, awaken the most spiritually aware people to the realization that most problems are caused by an imbalanced expression of the masculine and feminine qualities of God, namely power and love. Only through the WORD can we attain balance, so that power does not become overly controlling and love not overly permissive. Mother Mary, help us re-discover our love for Earth, so we can be the open doors for the Living Word to balance both the physical planet and human society. I AM the victory of the Living Word balancing Power and Love in the spiritual people on Earth.

Hail Mother Light

**Help us overcome all imbalances in
love and power**

By the authority of the Christ Flame within my heart, I call forth the awakening of the most spiritually aware people to our true potential in this age. Mother Mary, help us overcome all self-absorption and attain the proper balance of love and power, so we can challenge the power elite without being drawn into the eternal dualistic struggle. Help us become true representatives of Christ and do the works of the Living Christ for this age, thus raising the Mother Light in ourselves and for the entire planet.

1. Hail Mary, we give praise
the Mother Light in all you raise.
In perfect balance light will stream,
in harmony our souls will gleam.

Refrain:

**Oh Mother Mary, we release
all thoughts and feelings less than
peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

2. The base is of the purest white,
four petals radiate your light.
The Mother bows in purest love
to God the Father from Above.

3. The soul is basking in delight,
as violet flame is shining bright.
The soul is breathing God's pure air,
she feels so free in Mother's care.

4. The solar center is at peace,
as fear and anger we release.
The sacred ten will now unfold
a glow of purple and of gold.

5. All troubles in the heart now cease,
as Mary's love brings great release.
The rose of twelve in fullest bloom,
the soul is free to meet her groom.

6. The throat is shining oh so blue,
the will of God is always true.
God's power is released in love
through Christ direction from Above.

7. The brow emits an emerald hue,
Christ's perfect vision we pursue,
and as we see God's perfect plan,
we feel God's love for every man.

8. The crown is like a sea of gold,
as thousand petals now unfold.
We see the Buddha in the crown,
arrayed in his celestial gown.

9. When Mother Light and Buddha
meet,
the force of darkness they defeat,
with Jesus and our saint Germain.
they bring the Golden Age again.

10. I feel the Mother's gentle kiss,
as I am in eternal bliss,
floating in a space sublime,
in harmony with sacred chime.

Coda:

By Mother Mary's endless Grace,
we conquer time, we conquer space.
The Buddha Nature is in all
and thus we rise to heed the call
to be the Christed ones on Earth,
the Golden Age is given birth.

NOTE: Give the entire decree at least one time. You can
give it as many times as you like before continuing the
rosary.

I accept that Mother Mary and Mother Liberty envelop planet Earth in the infinite and unconditional love of the Divine Mother. I accept that the Earth is a sun, radiating divine love to the universe.

Saint Germain, awaken us to the potential for a Golden Age

1. Saint Germain, release floodtides of Violet Flame to expose how the perversion of the WORD creates a divided state with two extremes. This has been used by the power elite to divide the people into opposing factions and to conquer us by keeping us tied up in this never-ending dualistic struggle. I AM the victory of the Living Word triggering a Golden Age on Earth.

Hail Freedom Flame

Oh Saint Germain, bring Freedom's Flame, you come to Earth in Christ's own name. For Christ is Lord and you are king, as peace and freedom now you bring. Together you will turn the page and lead us to the Golden Age.

Oh Saint Germain and Jesus dear, to you and Mary we draw near. Together we now bring the light that makes the Earth a star so bright. By Michael raised for all to see, the banner of Christ Victory.

2. Saint Germain, release floodtides of Violet Flame to expose that the WORD is the only way to reach beyond duality.

Thus, it is the only way to neutralize the divide-and-conquer strategy of the forces of anti-christ. Only by recapturing the Living Word can we consume the potential for a large-scale war or many small-scale wars and reestablish true peace on Earth. I AM the victory of the Living Word triggering a Golden Age on Earth.

Hail Freedom Flame

3. Saint Germain, release floodtides of Violet Flame to expose that all people are part of the one Body of God. When we reconnect to this common spiritual heritage, outer characteristics, such as sex, race, ethnicity, nationality, religion or political beliefs, will no longer divide us. They will be seen as nuances that enrich the tapestry of life. I AM the victory of the Living Word triggering a Golden Age on Earth.

Hail Freedom Flame

4. Saint Germain, release floodtides of Violet Flame to expose how the power elite and the forces of anti-christ have captured the privilege of formulating the problem and setting the tone for the debate. They have done this by elevating their own relative "truth" to an absolute truth. They then claim that every idea must be compared to their system, which creates a smokescreen that hides the reality of God. I AM the victory of the Living Word triggering a Golden Age on Earth.

**Oh Saint Germain, bring Freedom's Flame,
you come to Earth in Christ's own name.
For Christ is Lord and you are king,
as peace and freedom now you bring.
Together you will turn the page
and lead us to the Golden Age.**

**Oh Saint Germain and Jesus dear,
to you and Mary we draw near.
Together we now bring the light
that makes the Earth a star so bright.
By Michael raised for all to see,
the banner of Christ Victory.**

5. Saint Germain, release floodtides of Violet Flame to expose how the perversion of the word makes it possible for the power elite to use any system of thought to reinforce their position of privilege and power. It is time for us to bring the Living Word back into the debate in all areas of society, so people have an alternative to the dead word of the elite. I AM the victory of the Living Word triggering a Golden Age on Earth.

Hail Freedom Flame

6. Saint Germain, release floodtides of Violet Flame to expose that no human system is infallible. In fact, any dualistic system will create its own opposing forces that will break down society. For example, an economy based on the duality of greed will inevitably go through cycles of inflation and recession. Only the WORD can create a balanced society and set the foundation for a Golden Age.

I AM the victory of the Living Word triggering a Golden Age on Earth.

Hail Freedom Flame

7. Saint Germain, release floodtides of Violet Flame to expose how the power elite are trying to set themselves up as the ultimate authority, as gods on Earth. By perverting the WORD, they have created any number of idols and have made people worship their graven images. It is time for the spiritual people to demonstrate that all people have the freedom to connect to the Living God within ourselves. I AM the victory of the Living Word triggering a Golden Age on Earth.

Hail Freedom Flame

8. Saint Germain, release floodtides of Violet Flame to expose how God has declared the free will of the people as the ultimate law for planet Earth. Only when a critical mass of people become aware of the power elite, and determine that enough is enough, can the forces of God remove the elite and the forces of anti-christ from this planet. I AM the victory of the Living Word triggering a Golden Age on Earth.

Hail Freedom Flame

9. Saint Germain, release floodtides of Violet Flame to expose the fact that power elites truly have no power beyond what the people give them. Thus, an elite can survive only as long as the people accept the illusion and deception of anti-christ. When a critical mass of

people realize that the emperor has nothing on, the elite's power will crumble and Saint Germain's Golden Age will be manifest on Earth. I AM the victory of the Living Word triggering a Golden Age on Earth.

Oh Saint Germain, bring Freedom's Flame, you come to Earth in Christ's own name. For Christ is Lord and you are king, as peace and freedom now you bring. Together you will turn the page and lead us to the Golden Age.

Oh Saint Germain and Jesus dear, to you and Mary we draw near. Together we now bring the light that makes the Earth a star so bright. By Michael raised for all to see, the banner of Christ Victory.

Saint Germain, awaken us to our love for freedom

Saint Germain, awaken the most spiritually aware people to our inner love for Freedom. Awaken the many people who volunteered to take embodiment at this time in order to help make your Golden Age a manifest reality. Awaken us to the reality of our divine plans so we can take a stand for Freedom and be the instruments for setting the people free from the tyranny of the consciousness of anti-christ and the power elite.

1. Oh Saint Germain, bring Freedom's Flame,
you come to Earth in Christ's own name.
The violet flame is your own plan to raise the Christ in every man.

Refrain:

**Violet flame, let it flow,
saturate all life below,
always flowing, ever growing
upon us all grace bestowing.**

**Violet fire, penetrate,
violet fire saturate,
violet fire purify,
violet fire sanctify,
we are pure, we are healed,
in your light, we are sealed,
forever free
in God to be.**

2. For Christ is Lord and you are king, as peace and freedom now you bring. with Jesus you now point the way that brings the dawn of a new day.

3. Together you will turn the page and lead us to the Golden Age. Where Freedom's flame will reign supreme, fulfilling Heavens highest dream.

4. Oh Saint Germain and Jesus dear, to you and Mary we draw near. From you above to us below, we will maintain a constant flow.

5. Together we now bring the light that makes the Earth a star so bright. her radiance will shine through space awakening the I AM race.

**Violet flame, let it flow,
saturate all life below,
always flowing, ever growing
upon us all grace bestowing.**

**Violet fire, penetrate,
violet fire saturate,
violet fire purify,
violet fire sanctify,
we are pure, we are healed,
in your light, we are sealed,
forever free
in God to be.**

6. By Michael raised for all to see,
the banner of Christ Victory.
All darkness is replaced by light,
as all of cosmos shines so bright.

7. Oh Saint Germain, we keep the flame
of freedom burning in your name,
until the Golden Age we see,
an age in which all life is free.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

**I Choose the Life of Christ!
Archangel Michael, shatter and consume
all illusions of the anti-word!
(3X)**

Archangel Michael, awaken the most spiritually aware people from the consciousness of death that causes us to identify ourselves as mortal human beings who are separated from our God. Cut us free from the condemnation and self-condemnation that causes us to think we have no right to let the Living Word challenge the power elite through us.

Beloved Archangel Michael, thou Defender of Faith, if people knew better, they would do better, and by the authority of my God-given free will, I hereby declare that I am willing to know better. I am willing to see anything in my being and life that is out of alignment with the truth of Christ. And when I see it, I will surrender it into the all-consuming fires of the Holy Spirit, the Violet Flame of Saint Germain. Thus, by my willingness to remove the beam in my own eye, I attain the transparency whereby the prince of this world comes and has nothing in me. I now see that total surrender, leading to total transparency, is the ultimate spiritual defense.

Archangel Michael, I am willing to change my life. I am willing overcome all self-absorption and realize that I am not here to fulfill earthly desires or even seek personal growth. I am here to fulfill the higher spiritual desires, expressed in my divine plan, of working for the

growth of all. I am willing to recognize that spiritual growth which is not expressed in helping others is not Christhood. Thus, I will no longer focus on my personal growth but will focus on the growth of all people. I will see other people as part of my larger self, the one Body of God on Earth.

Therefore I now say, with the full authority of my free will and the power of the Christ Flame within me:

I CHOOSE THE LIFE OF CHRIST!
(4X)

I choose the consciousness of eternal life, the Christ consciousness, and I accept that I am here to be the open door for the Living Word and allow the WORD to judge those who choose death over life. Thus, I am willing to be the instrument for challenging the illusions of anti-christ and setting the people free from the power elite. I will be non-attached to other people's reactions and their condemnation of me, for I will respect their free will. Yet I will also respect my own free will, and my right to choose to remain centered in the infinite peace of Christ in every situation. I know that I AM balanced Power-Love in action, and thus I am above the dualistic extremes.

I choose to be one with my God, and therefore I am the Presence of the Living Christ in this world.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from the lies of anti-christ.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from spiritual slavery under the forces of anti-christ.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from material slavery under the power elite.

I choose to be one with my God, and therefore I am the Presence of Archangel Michael binding the power elite on Earth.

The Earth is the Lord's and the fullness of the WORD. (3X) Amen.

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

Sealing

I affirm that Archangel Michael and his Blue-flame Angels surround all people with an impenetrable shield of Blue-flame energy. I affirm that we are sealed from all toxic energies sent against us by the forces of this world. I accept that Archangel Michael binds the enemy within us, the human ego, so that when the prince of this world comes, he has

nothing in us. I surrender the anti-self of planet Earth and accept that it is consumed by the Violet Flame and the unconditional love of Mother Mary. I accept that this planet's anti-self is replaced by her Christ self, now and forever.

By the power of the Christ Flame within me, I affirm that the Living Word is restored as the ultimate authority in all aspects of society. The WORD is manifest through the Freedom Flame, acting through my I AM Presence and the presence of the I AM THAT I AM, Jesus Christ, Archangel Michael, Mother Mary, The Goddess of Liberty and Saint Germain. Amen.
