

One World Rosary

In the name of the unconditional love of the Divine Masculine, the Divine Son, the Holy Spirit and the Divine Feminine, Amen.

In the name of Archangel Michael, Master MORE, Jesus Christ, Mother Mary, Saint Germain, Gautama Buddha, the Dhyani Buddhas, Maraytaii, The Great Divine Director and the entire spirit of the Ascended Host, I invoke the Presence of Oneness to manifest the Spirit of Oneness everywhere on this planet and thereby expose every aspect of the duality consciousness that works against the oneness of all people as part of the Body of God on Earth.

(Describe specific situations and places where you want this rosary to bring change.)

**God is Father and Mother
God is Father, God is Mother,
never one without the other.**

**Your balanced union is our source,
your love will keep us on our course.
You offer us abundant life,
to free us from all sense of strife.
We plunge ourselves into the stream,
awakening from this bad dream.
We see that life is truly one,
and thus our victory is won.
We have returned unto our God,
on the path the saints have trod.
We form God's body on the Earth,
and give our planet its rebirth,
into a Golden Age of love,**

**with ample blessings from Above.
We set all people free to see
that oneness is reality,
and in that oneness we will be
whole for all eternity.
And now the Earth is truly healed,
all life in God's perfection sealed.**

**God is Father, God is Mother,
we see God in each other.**

1. Beloved Vairochana, thou radiating one who is like the Sun, eradicate the poison of ultimate ignorance and delusion, making people believe we are separated from God and divided from each other. Replace it with your All-pervading Wisdom of the Dharmakaya and reveal the ultimate reality that everything sprang from the One God. Lead people to the inner knowing of the oneness of all life, the oneness of the laws of nature and the oneness of ourselves and God. Help us accept that God will receive us with unconditional love when we turn around and surrender our unwillingness to change and our fear of coming closer to God.

Hail Michael

**Archangel Michael, take command,
God government in every land.
Raise up the torch of Freedom's Flame,
that all may know the "I AM" name.
Humanity is always free,
one people under God to be.**

**Archangel Michael, you are here,
to keep our vision always clear.
We form God's Body here below,
the open door for Grace to flow.
As into action now we spring,
the Golden Age we will to bring.**

2. Oh Vairochana, help people master the realm of consciousness by the power of your transcendent blue light and the magnificent wheel of the law. Help people overcome all tendency to be lukewarm or to be paralyzed by the ignorance that springs from seeing ourselves separated from God. Fill us with your uncompromising courage that we may conquer all obstacles of ignorance, especially the ultimate illusion of being separated from God. Help us see that God is all and in all, and therefore also us and in us.

OM VAIROCHANA OM (9X)

Hail Michael

3. Beloved Akshobya, thou immovable, unshakable one, eradicate the poison of anger and hatred that keeps people trapped in the dualistic struggle of responding in kind. Replace it with your Mirror-like Wisdom that reflects all things calmly and reveals our true nature as being God wearing a disguise. Lead

people to the inner knowing that God loves us unconditionally and has never left us. It was only our sense of separation from God that caused us to become angry at God and turn our backs upon him. Help us accept that God will receive us with unconditional love when we turn around and surrender our desire to feel that we were right and God was wrong.

Hail Michael

4. Oh Akshobya, help people master the realm of etheric forms by the power of your transcendent blue light and the magnificent thunderbolt. Fill people with your infinite strength that we may conquer all obstacles of hatred. Help people overcome all tendency to respond to situations with anger, instead of turning the other cheek in forgiveness. Clear our etheric bodies from all hatred against ourselves for making mistakes and all anger against God for exposing our mistakes. Fill people with your calmness that we may allow all anger directed at us to be reflected back by the mirror-like surface of the infinite ocean of our Higher Beings.

OM AKSHOBYA HUM (9X)

Hail Michael

5. Beloved Ratnasambhava, thou who is both born of a jewel and the originator of jewels, eradicate the poison of spiritual and intellectual pride that traps people in the superiority-inferiority complex. Replace it with your Wisdom of Equality and reveal that all things are of equal value in the eyes of God because all things *are* God. Lead people to the inner knowing that we are of infinite value to God and that there are no comparisons in

infinity. It was only our sense of separation from God that caused us to compare ourselves to others and have the need to feel better than others. Help people accept that God will receive us with unconditional love when we turn around and surrender the need to feel better than others, even better than God.

**Archangel Michael, take command,
God government in every land.
Raise up the torch of Freedom's Flame,
that all may know the "I AM" name.
Humanity is always free,
one people under God to be.**

**Archangel Michael, you are here,
to keep our vision always clear.
We form God's Body here below,
the open door for Grace to flow.
As into action now we spring,
the Golden Age we will to bring.**

6. Oh Ratnasambhava, help people master the realm of sensation by the power of your transcendent golden light and the magnificent wish-fulfilling jewel. Fill us with your swiftness that we may conquer all obstacles of pride. Clear our mental bodies from all need to compare and to judge ourselves and others. Fill us with your equanimity that we may see and serve God in all whom we meet, including ourselves.

OM RATNASAMBHAVA TRAM (9X)

Hail Michael

7. Beloved Amitabha, thou infinite Light, thou discriminating one, eradicate the poison of

cravings, lust and greed that traps people in the endless struggle to possess more and more in this transient world. Replace it with your Discriminating Wisdom and reveal the difference between the true desires of God, that can be filled, and the false desires of the human ego, that can never be satisfied. Lead people to the inner knowing that we do not have to let our lives be consumed by the never-ending quest to fill the bottomless pit of human desires. It was only our sense of separation from God that caused us to feel that nothing was enough or good enough. Help people accept that God will receive us with unconditional love when we turn around and surrender the unreal desire to prove the ultimate worth of the human ego.

Hail Michael

8. Oh Amitabha, help people master the realm of perception by the power of your transcendent rose-colored light and the magnificent lotus jewel. Fill people with your infinite grace that we may conquer all obstacles of unquenchable desires. Clear our emotional bodies from the feeling that nothing is enough or good enough. Fill us with your ability to see that everything is a finite expression of the infinite God, and therefore even the finite can satisfy the desires of the infinite God.

OM AMITABHA HRIH (9X)

**Archangel Michael, take command,
God government in every land.
Raise up the torch of Freedom's Flame,
that all may know the "I AM" name.
Humanity is always free,
one people under God to be.**

**Archangel Michael, you are here,
to keep our vision always clear.
We form God's Body here below,
the open door for Grace to flow.
As into action now we spring,
the Golden Age we will to bring.**

9. In the name of Gautama Buddha and Jesus Christ, I invoke the Presence of Oneness to enlighten all people to the fundamental reality of the oneness of all life. Help us see that all of our problems started when we left our state of oneness and journeyed into the jungle of the duality consciousness. Thus, the only solution is to return to our state of innocence, the inner sense of oneness with God and with all life.

Hail Michael

1. Throat, Solar plexus

Hail Mary, we give praise
the Mother Light in all you raise.
In perfect balance light will stream,
in harmony our souls will gleam.

Refrain:

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

All troubles in the heart now cease,
as Mary's love brings great release.
The rose of twelve in fullest bloom,
the soul is free to meet her groom.

The throat is shining oh so blue,
the will of God is always true.
God's power is released in love
through Christ direction from Above.

The solar center is at peace,
as fear and anger we release.
The sacred ten will now unfold
a glow of purple and of gold.

When Mother Light and Buddha meet,
the force of darkness we defeat,
with Jesus and our Saint Germain.
we bring the Golden Age again.

I feel the Mother's gentle kiss,
as I am in eternal bliss,
floating in a space sublime,
in harmony with sacred chime.

Coda:

By Mother Mary's endless Grace,
we conquer time, we conquer space.
The Buddha Nature is in all
and thus we rise to heed the call
to be the Christed ones on Earth,
the Golden Age is given birth.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

1. Beloved Amogasiddhi, thou who always achieves your goal, eradicate the poison of envy and jealousy that traps people in the endless game of raising the ego by putting others down. Replace it with your All-accomplishing Wisdom of Perfected Action and reveal the ever-present truth that with God all things are possible. Lead us to the inner knowing that we are one with God, and therefore God in us can achieve and fulfill all things. It was only our sense of separation from God that caused us to fear that we could not do what we saw others do. This caused us to be trapped in the illusion that God would not love us if we had less or achieved less than others. Help people accept that God will receive us with unconditional love when we turn around and surrender the desire to prove our ultimate worth by having or doing more than anyone else.

Hail Victorious Christ

**Beloved Jesus, you have won,
God has awakened everyone.
No longer can the leaders blind
divide and conquer humankind.
Our eye is single as we see
the truth of Christ that makes us free.**

**Beloved Jesus, we will be
the Christed ones who keep Earth free.
The torch of Pisces we uphold
Aquarius we now unfold.
Your victory for Earth is won,
the Golden Age has now begun.**

2. Oh Amogasiddhi, help people master the realm of making choices by the power of your transcendent green light and the magnificent crossed thunderbolt. Fill people with your uncompromising courage of perfected action that we may conquer all obstacles to the expression of our divine individuality in this life. Clear our physical beings from all attachments to the things of this world. Fill us with your absolute knowledge that God loves us as the unique individual each person was created to be, and therefore we can feel at peace in being the divine self. We can Be and let Be.

OM AMOGASIDDHI AH (9X)

Hail Victorious Christ

3. Beloved Vajrasattva, thou diamond-natured one, eradicate the poison of non-will and non-being that separates people from the River of Life, the process of perpetual self-transcendence. Replace it with your Wisdom of God's Diamond Will and reveal that the things of this world are transient and can never fulfill people's true desire to be co-creators with God. Lead us to the inner knowing that the Will of God within us gives us the power to conquer our attachments to the things of this world. It was only our sense of separation from God that caused us to fear that God would leave us behind or doubt that God can bring us home. Help people accept that the Creator will receive us with unconditional love whenever we turn around and surrender our unwillingness to self-transcend.

Hail Victorious Christ

4. Oh Vajrasattva, help people master the realm of Being, the level of the integration of all five elements of our beings, by the power of your diamond light and the magnificent thunderbolt and bell. Fill people with your all-conquering sense of Being in the River of Life. Clear our beings from all attachments to the things of this world. Fill us with your infinite love of God that we may be willing to transcend our mortal sense of identity in order to win the immortal life of being the Christ in action always.

OM VAJRASATTVA HUM (9X)

**Beloved Jesus, you have won,
God has awakened everyone.
No longer can the leaders blind
divide and conquer humankind.
Our eye is single as we see
the truth of Christ that makes us free.**

**Beloved Jesus, we will be
the Christed ones who keep Earth free.
The torch of Pisces we uphold
Aquarius we now unfold.
Your victory for Earth is won,
the Golden Age has now begun.**

5. In the name of Gautama Buddha and Jesus Christ, I invoke the Presence of Oneness to enlighten all people to the fact that all of our problems originate from the consciousness of duality that is by nature separated from oneness. Thus, the only solution to any and all problems is that we recognize that our conscious selves are extensions of the

Creator's Being and have the capacity to experience the Spirit of Truth directly.

Hail Victorious Christ

6. I invoke the Presence of Oneness to enlighten all people to the fact that the fundamental reality is that all life is one because all life is a manifestation of the infinite, indivisible Creator. Separation from God is an illusion that exists only in a mind blinded by the veil of duality. Yet duality can deceive us only as long as we believe in the reality of two relative opposites, such as good and evil.

OM HUM TRAM HRIH AH HUM OM (9X)

Hail Victorious Christ

7. I invoke the Presence of Oneness to enlighten all people to the fact that for eons humankind has been trapped in the epic struggle between two dualistic opposites that cannot exist without each other. Thus, the struggle can NEVER end with good eliminating evil. Instead, we can end the struggle only by transcending the consciousness that created the struggle.

Hail Victorious Christ

8. I invoke the Presence of Oneness to enlighten all people to the fact that the human ego was born out of our separation from God. Thus, the ego can never see beyond duality and it cannot see that there is an indivisible reality beyond the veil of duality. Yet because our conscious selves are extensions of the Creator's Being, we can indeed see beyond duality and experience the Spirit of Oneness.

Our conscious selves can come to the realization that we never actually left the Sphere of Oneness.

OM ALPHA AND OMEGA OM (9X)

**Beloved Jesus, you have won,
God has awakened everyone.
No longer can the leaders blind
divide and conquer humankind.
Our eye is single as we see
the truth of Christ that makes us free.**

**Beloved Jesus, we will be
the Christed ones who keep Earth free.
The torch of Pisces we uphold
Aquarius we now unfold.
Your victory for Earth is won,
the Golden Age has now begun.**

9. I invoke the Presence of Oneness to enlighten all people to the fact that people's egos can use the illusions of duality to prove any point and thus convince themselves that they are absolutely right. Yet the real question we face is whether we will continue the age-old struggle of proving we are right compared to other people or whether we will rise above the struggle and be right with God. Will we continue in separation or will we claim our oneness with God and with each other?

Hail Victorious Christ

2. Third Eye, Soul

Hail Mary, we give praise
the Mother Light in all you raise.
In perfect balance light will stream,
in harmony our souls will gleam.

Refrain:

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

All troubles in the heart now cease,
as Mary's love brings great release.
The rose of twelve in fullest bloom,
the soul is free to meet her groom.

The brow emits an emerald hue,
Christ's perfect vision we pursue,
and as we see God's perfect plan,
we feel God's love for every man.

The soul is basking in delight,
as violet flame is shining bright.
The soul is breathing God's pure air,
she feels so free in Mother's care.

When Mother Light and Buddha meet,
the force of darkness we defeat,
with Jesus and our Saint Germain.
we bring the Golden Age again.

I feel the Mother's gentle kiss,
as I am in eternal bliss,
floating in a space sublime,
in harmony with sacred chime.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

Coda:

By Mother Mary's endless Grace,
we conquer time, we conquer space.
The Buddha Nature is in all
and thus we rise to heed the call
to be the Christed ones on Earth,
the Golden Age is given birth.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

1. In the name of the Divine Feminine, and in full recognition that I AM part of the Divine Feminine, I invoke the Presence of Oneness to expose the existence of a false hierarchy of beings who rebelled against God in a higher realm because they became blinded by the illusion of separation. Thus, they fell into the material universe and are determined to use the consciousness of duality to deceive all people into believing that separation is real. I AM the Spirit of Oneness uniting all people in a higher purpose.

Hail Mother Light
**Hail Mary, we give praise
the Mother Light in all you raise.
The base is of the purest white,
the soul is basking in delight.
The solar center is at peace,
all troubles in the heart now cease.**

**The throat is shining oh so blue,
the brow emits an emerald hue.
The crown is like a sea of gold,
as thousand petals now unfold.
I feel the Mother's gentle kiss,
as I am in eternal bliss.**

2. I invoke the Presence of Oneness to expose how the false hierarchy have attempted to set themselves up as gods or God's representatives on Earth and achieve control over all aspects of life on this planet. They form a power elite who are constantly seeking to control and suppress the people. I AM the Spirit of Oneness uniting all people in a higher purpose.

OM MARAYTAII—EUTAI! (9X)

Hail Mother Light

3. I invoke the Presence of Oneness to expose how the false hierarchy have attempted to control people by using the duality consciousness to define opposites that draw people into the dualistic struggle that never ends. This causes people to feed their spiritual energy to the false hierarchy, which is the only way they can continue to exist. I AM the Spirit of Oneness uniting all people in a higher purpose.

**Hail Mary, we give praise
the Mother Light in all you raise.
The base is of the purest white,
the soul is basking in delight.
The solar center is at peace,
all troubles in the heart now cease.**

**The throat is shining oh so blue,
the brow emits an emerald hue.
The crown is like a sea of gold,
as thousand petals now unfold.
I feel the Mother's gentle kiss,
as I am in eternal bliss.**

4. I invoke the Presence of Oneness to expose how the false hierarchy have been using the divide-and-conquer strategy to set people up against each other. This is done to control the people and prevent them from uniting in the Spirit of Oneness that would remove the power elite from this planet. It is also an expression of the divisions within the power elite, with groups fighting for ultimate power and using the people as cannon-fodder in this never-ending battle between the established and the aspiring power elites. I AM the Spirit of Oneness uniting all people in a higher purpose.

OM MARAYTAII—EUTAI! (9X)

Hail Mother Light

5. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to control people's sense of identity, using both science and religion to promote the lie that we are separated from God and from each other. The power elite will do anything to prevent us from claiming our true

identity as co-creators with God who have the right to take dominion over this planet. I AM the Spirit of Oneness uniting all people in a higher purpose.

Hail Mother Light

6. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to control the mental bodies of most people, making us believe in the lie that everything is a matter of choosing between two opposites defined by the duality consciousness. This traps people in the quest to find the ultimate dualistic argument, which is futile, for all dualistic arguments are relative. I AM the Spirit of Oneness uniting all people in a higher purpose.

OM MARAYTAII—EUTAI! (9X)

Hail Mother Light

7. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to control people's emotional bodies, manipulating us into negative feelings that make it seem like the only solution to our problems is to fight other people. And as long as we fight others instead of looking at the beam in our own eyes, we can never rise above the dualistic struggle. I AM the Spirit of Oneness uniting all people in a higher purpose.

Hail Mother Light

8. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to control people's actions, making us believe in the lie that the ends can justify the means and that it is

necessary to do evil that good may come. This keeps people trapped in thinking they are working for the ultimate cause, yet it is a cause defined by the false hierarchy and not by God. I AM the Spirit of Oneness uniting all people in a higher purpose.

OM MARAYTAII—EUTAI! (9X)

**Hail Mary, we give praise
the Mother Light in all you raise.
The base is of the purest white,
the soul is basking in delight.
The solar center is at peace,
all troubles in the heart now cease.**

**The throat is shining oh so blue,
the brow emits an emerald hue.
The crown is like a sea of gold,
as thousand petals now unfold.
I feel the Mother's gentle kiss,
as I am in eternal bliss.**

9. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to control people's world view, making us believe that the material universe is separated from God, as the remote Father figure in the sky. This prevents us from seeing the reality that everything is an expression of the Divine Feminine, which is present with us everywhere, meaning we can never be separated from God. I AM the Spirit of Oneness uniting all people in a higher purpose.

Hail Mother Light

3. Crown, Base

Hail Mary, we give praise
the Mother Light in all you raise.
In perfect balance light will stream,
in harmony our souls will gleam.

Refrain:

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

All troubles in the heart now cease,
as Mary's love brings great release.
The rose of twelve in fullest bloom,
the soul is free to meet her groom.

The crown is like a sea of gold,
as thousand petals now unfold.
We see the Buddha in the crown,
arrayed in his celestial gown.

The base is of the purest white,
four petals radiate your light.
The Mother bows in purest love
to God the Father from Above.

When Mother Light and Buddha meet,
the force of darkness we defeat,
with Jesus and our Saint Germain.
we bring the Golden Age again.

I feel the Mother's gentle kiss,
as I am in eternal bliss,
floating in a space sublime,
in harmony with sacred chime.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

Coda:

By Mother Mary's endless Grace,
we conquer time, we conquer space.
The Buddha Nature is in all
and thus we rise to heed the call
to be the Christed ones on Earth,
the Golden Age is given birth.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

1. In the name of Saint Germain and in full oneness with his vision of the Golden Age, I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to inflate religious differences in order to perpetuate the dualistic struggle. This prevents people from accepting that there can be many true religions, because a true religion helps its members have a direct experience of the Spirit of Oneness. I AM the Spirit of Oneness manifesting Saint Germain's Golden Age.

Hail Freedom Flame

**Oh Saint Germain, bring Freedom's Flame,
you come to Earth in Christ's own name.
For Christ is Lord and you are king,
as peace and freedom now you bring.
Together you will turn the page
and lead us to the Golden Age.**

**Oh Saint Germain and Jesus dear,
to you and Mary we draw near.
Together we now bring the light
that makes the Earth a star so bright.
By Michael raised for all to see,
the banner of Christ Victory.**

2. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to create a battle between religion and science. This prevents people from seeing that both are needed in order for us to have a complete understanding of life, because in their pure forms religion represents the Divine Masculine and science represents the Divine Feminine. I AM the Spirit of Oneness manifesting Saint Germain's Golden Age.

OM MANI PADME HUM—SHIVA! (9X)

Hail Freedom Flame

3. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to inflate conflict based on nationality, ethnicity and race. This prevents people from seeing that we all came from the same source and that there is only one nation under God. I AM the Spirit of Oneness manifesting Saint Germain's Golden Age.

**Oh Saint Germain, bring Freedom's Flame,
you come to Earth in Christ's own name.
For Christ is Lord and you are king,
as peace and freedom now you bring.
Together you will turn the page
and lead us to the Golden Age.**

**Oh Saint Germain and Jesus dear,
to you and Mary we draw near.
Together we now bring the light
that makes the Earth a star so bright.
By Michael raised for all to see,
the banner of Christ Victory.**

4. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to create conflict based on political ideologies that oppose each other. This prevents people from seeing that politics will always be relative, whereas God-government is based on the Spirit of Oneness that is beyond all opposites. I AM the Spirit of Oneness manifesting Saint Germain's Golden Age.

OM MANI PADME HUM—SHIVA! (9X)

Hail Freedom Flame

5. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to create conflict based on economic factors and the illusion that this planet has only limited resources. This prevents people from seeing that the lack of resources is an expression of the duality consciousness. Thus, by seeking oneness, we will open the door for God manifesting the abundant life for all people. I AM the Spirit of

Oneness manifesting Saint Germain's Golden Age.

Hail Freedom Flame

6. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to create conflicts between men and women and the male and female elements within all people. This prevents people from seeing that our Higher Selves are beyond human sexuality and that the Divine Masculine can never be in opposition to the Divine Feminine. I AM the Spirit of Oneness manifesting Saint Germain's Golden Age.

OM MANI PADME HUM—SHIVA! (9X)

Hail Freedom Flame

7. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to hide the existence of a power elite seeking to control the people, even create a one world government. This prevents people from seeing that the true key to peace and prosperity is for the people to refuse to follow the dualistic "truth" of the power elite but instead follow the one truth of the Christ within. Thereby, we allow the elite to judge themselves and be removed from the Earth. The true one world government means that government is based on the Spirit of Oneness. I AM the Spirit of Oneness manifesting Saint Germain's Golden Age.

Hail Freedom Flame

8. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to prevent people from

knowing about the human ego and how it destroys our personal lives and all aspects of society. The ego makes us houses divided against ourselves who cannot take a united stand and rise above the illusions created by the false hierarchy. I AM the Spirit of Oneness manifesting Saint Germain's Golden Age.

OM MANI PADME HUM—SHIVA! (9X)

**Oh Saint Germain, bring Freedom's Flame,
you come to Earth in Christ's own name.
For Christ is Lord and you are king,
as peace and freedom now you bring.
Together you will turn the page
and lead us to the Golden Age.**

**Oh Saint Germain and Jesus dear,
to you and Mary we draw near.
Together we now bring the light
that makes the Earth a star so bright.
By Michael raised for all to see,
the banner of Christ Victory.**

9. I invoke the Presence of Oneness to expose how the false hierarchy have been using the duality consciousness to prevent people from seeing that by dealing with our own egos, we can take back our God-given authority to take dominion over the Earth. Thereby, we can give Archangel Michael the authority to remove the false hierarchy and the duality consciousness from this planet. When we claim our Divine inheritance, God, acting through all of us, will manifest the abundant life for all people on this planet. I AM the Spirit of Oneness manifesting Saint Germain's Golden Age.

Hail Freedom Flame

In the name of the Miracle Mother East and West, I call to the Dhyani Buddhas to balance the four lower bodies of all people and the Earth. Consume all poisons that we may integrate your divine qualities and be whole as co-creators with God. I call to the Dhyani Buddhas to send your angels to cut free and retrieve all fragments of people's lower beings that are trapped anywhere in the world of form. I call for the angels of the Buddhas to return all fragments of our lower beings to us in the eternal now. I call to the angels of the Miracle Mother East and West, beloved Kuan Yin and beloved Mother Mary, to integrate all fragments into our beings that we may be whole once again and outpicture the perfect matrix of our unique individuality, given to us by the Father-Mother God at the moment of our lifestreams' conception in the Light. On behalf of all people, I accept the full physical manifestation of our wholeness now. In the name of Jesus Christ, it is finished! Amen.

The soul is breathing God's pure air,
she feels so free in Mother's care.

All troubles in the heart now cease,
as Mary's love brings great release.
The rose of twelve in fullest bloom,
the soul is free to meet her groom.

The crown is like a sea of gold,
as thousand petals now unfold.
We see the Buddha in the crown,
arrayed in his celestial gown.

The base is of the purest white,
four petals radiate your light.
The Mother bows in purest love
to God the Father from Above.

When Mother Light and Buddha meet,
the force of darkness we defeat,
with Jesus and our Saint Germain.
we bring the Golden Age again.

I feel the Mother's gentle kiss,
as I am in eternal bliss,
floating in a space sublime,
in harmony with sacred chime.

Coda:

By Mother Mary's endless Grace,
we conquer time, we conquer space.
The Buddha Nature is in all
and thus we rise to heed the call
to be the Christed ones on Earth,
the Golden Age is given birth.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the rosary.

OM MANI PADME HUM! (9X or 33X)

**God is Father and Mother
God is Father, God is Mother,
never one without the other.**

**Your balanced union is our source,
your love will keep us on our course.
You offer us abundant life,
to free us from all sense of strife.
We plunge ourselves into the stream,
awakening from this bad dream.
We see that life is truly one,
and thus our victory is won.
We have returned unto our God,
on the path the saints have trod.
We form God's body on the Earth,
and give our planet its rebirth,
into a Golden Age of love,
with ample blessings from Above.
We set all people free to see
that oneness is reality,
and in that oneness we will be
whole for all eternity.
And now the Earth is truly healed,
all life in God's perfection sealed.**

**God is Father, God is Mother,
we see God in each other.**

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from the spirits and energies of division.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from the lies of anti-christ that lead to division.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from the ultimate spiritual slavery of the duality consciousness.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from the ultimate material slavery of being controlled by the power elite.

I choose to be one with my God, and therefore I am the Presence of Archangel Michael binding the forces of division on Earth.

The Earth is the Lord's and the fullness of his Oneness. (3X) Amen.

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Divine Feminine, Amen.

Sealing

I affirm that the infinite power of the Divine Feminine surrounds all people with an impenetrable shield of unconditional love that consumes all division. I affirm that we are sealed from all energies of anti-oneness sent against us by the forces of this world. I accept that Archangel Michael binds the enemy within us, the human ego, so that when the prince of this world comes, he has no divisions in us. I surrender the anti-self and all anti-oneness in myself and all people, and I accept that it is consumed by the infinite love of the Divine Feminine. I accept that people's anti-selves are replaced by our Christ selves, now and forever.

By the power of the Christ Flame within me, I affirm that I am sealed in the Flame of Indivisible Oneness. I affirm that all people are sealed in the Flame of Indivisible Oneness. I affirm that the Earth is sealed in the Flame of Indivisible Oneness. Thus, the Mother Light is raised into perfect union with the Divine Father. And through the power of the Holy Spirit, it flows into the matrix of the Son that brings the abundant life to all people who abide in Oneness. Amen.
